MASS UFO SIGHTINGS FORTY MILES FROM DOWNTOWN NEW YORK CITY

by Timothy Green Beckley

Several issues ago, UFO REVIEW ran a short news item on the then developing UFO flap taking place in New York's Westchester, Rockland and Putnam counties, only a scant forty miles from the heart of midtown Manhattan, and right along the Connecticut border.

Already at that time, dozens of frightened and utterly perplexed witnesses had reported seeing a strange triangular-shaped object as large—or larger—than a football field, gliding slowly and at times hovering in the evening sky. For the most part, the craft was said to move silently, and was made up of a row of

multi-colored lights that would turn on and off at random intervals silhouetted against a magnetic-gray colored hull.

The truth is that several of those who got an exceptionally close look at the ship remarked that it slightly resembled Star Trek's Enterprise.

But, believe it or not, this wave of sightings can in no way be compared to something out of a science fiction movie or TV series, for there are now many—numbering well into thousands—whose lives have been totally altered after having encountered a visitor from the deep unknown.

"This is the biggest mystery I've ever been confronted with," commented astronomer and UFO investigator Dr. J. Allen Hynek as he stood on stage smoking his pipe in front of an auditorium filled to overflowing with those who had come to the high school in the tiny upstate community of Brewster, New York desperately searching for answers...answers to an enigma which the authorities, were proclaiming to be a hoax of gigantic proportions.

More than a thousand area residents waited with baited breath for an opportunity to learn from one of

the countries' leading UFOlogists what it was they had gotten more than a glimpse of in the sky.

Lawyer Peter Gersten and teacher Philip Imbrogno organized the conference after it became clear that the public would no longer take the government's constant denials for what they had seen. Imbrogno, who is a field investigator for Hynek's Center for UFO Studies says that he has documented evidence that two sightings in the area—those of June 11 and July 12, 1984—were witnessed by upwards of 6,000 individuals, and that the total number of observers over a period of a year and a half may come close to the ten thousand mark.

On both of the above dates, motorists piled out of their cars along major roadways to watch as the sleekly constructed ship glided overhead without making a sound. With heads craned toward the night sky, they watched in awe as the spectre descended to tree-top level. One police officer told how the UFO came to within 60 feet of his patrol car, appearing to play a sort of cat and mouse game with his vehicle, before reversing direction, and passing directly over the roof of his auto.

Though authorities were quick to arrive at a satisfactory (to them) explanation, stating that the sightings were caused by a formation of ultra-lights—one-man open aircraft—flying after curfew. But, try as

they might, nobody who had been privileged to witness the phenomenon was buying this answer completely as they instinctively knew something much more "unearthly" was probably involved.

"The high school in Brewster was picked for the public forum, because a good many of the sightings had been made by residents of this suburban community," Philip Imbrogno explained as the conference started. "Furthermore, the caliber of the witnesses here are much higher than usual," stressed the professional educator. "And in addition, unlike in the vast majority of cases, this UFO has stuck around for over a year and a half, not having vanished into thin air right away as in most instances. This factor has given us added hope that something concrete can be arrived at in the way of an explanation."

The highlight of the conference itself, was the testimony of a dozen witnesses who came forward to publicly relate their experiences; a good deal of what they said providing evidence that the craft in question is being intelligently controlled.

AN OVERVIEW OF THE SITUATION

FACT VS. FICTION: THE PLEIADIAN CONNECTION

Over the years, several thousand individuals have claimed contact with extraterrestrial beings. For the most part their stories have been received with a great deal of skepticism on the part of the general public, while UFO buffs have acknowledged many of these "contactees" as heralds of a new age.

Perhaps no other individual in the history of UFOlogy has caused as much controversy as has Eduard "Billy" Meier, a simple, one armed, Swiss farmer who claims to have established an on going relationship with human-like beings from the Pleiades, a star system light years away from earth.

What makes Meier so different from many others claiming close encounters of the third kind, is the fact that his ET contacts are backed up by both still and motion picture footage of these alien craft that hover and land at repeated intervals. One of the ETs that Meier claims to have met a total of 68 times is the beautiful Semjase, whose words of wisdom transcend the intellectual barrier between earth and the aliens distant world.

Non-believers have called Meier's story the biggest hoax of all time, and have purposed to explain his exceptionally clear photos as the work of superimposing of negatives and the construction of models, though no one to date has caught him in the act of perpetrating a fraud, even though his farm has repeatedly been staked out by those who would give anything to catch him in the act. Also, skeptics cannot explain sufficiently what causes others also to see strange things in the sky over Meier's property, the witnesses now numbering into the dozens.

AURA BREAKTHROUGH

NOW—NO GOGGLES NEEDED!

**In less than 20 minutes
you will learn to see the
human aura with your
naked eye!**

Dr. Kolai Babb spent over 10 years developing a most unique system that assures your seeing the auric force that emanates around all living things. No goggles or other aids to look through, simply a method of training your eyes to focus properly, at will.

Upon receipt of your order, you will be sent a kit containing four business-size plastic cards, beautifully colored, each card embedded with 70,000 microscopic magnifying lenses, perfectly aligned to aid you in learning to properly focus your eyes for aura viewing. Complete, easy-to-follow instructions are included.

After viewing these cards for a couple of minutes, you will see a beautiful hazy glow begin to appear around their perimeter, and

with a few more minutes of practice you will be able to look at any living thing and view its aura. Then, after a couple of practice sessions, you will no longer need the cards, as your eyes will be able to focus naturally, at will. (The cards are reusable. You can give the kit to a friend, or sell it and get back your investment.)

Now, with further practice, you will learn to see trouble spots in the aura and how to correct them. Plus much more!

The kit has been test-marketed at psychic fairs, lectures and training seminars, as well as by mail order. Thousands have been sold and none have been returned. You are assured of a 100% money-back guarantee if you are not fully satisfied.

NEW ENGLAND'S UNSOLVED UFO MYSTERY

By David Paling

RESIDENTS OF MANY A SLEEPY NEW HAMPSHIRE HAMLET HAVE BECOME FIRM BELIEVERS IN THE "IMPOSSIBLE" AFTER EXPERIENCING A CLOSE ENCOUNTER OF THEIR VERY OWN.

There is little in Hillsboro to attract the annual flock of tourists that visit the Granite State. The small town and immediate, surrounding areas have no ski facilities, few restaurants or shops, no major historical or natural attractions; even gasoline stations appear in just dotted locales. Situated in the lower western portion of the state several miles south of Route 89, a main artery, Hillsboro is hushed and quiet. The town is thick with trees and farm lands pasted over rolling hills at elevations that only hint at the rugged, mountainous terrain that is New Hampshire.

Residents of Hillsboro and some of the surrounding towns—Windsor, Washington, Deering and Henniker—have lived virtually unnoticed in this tranquil setting, cut off, for the most part, from the hectic pace of more urban living. But in 1975, when the first major unidentified flying object sighting occurred, things began to change. Today, the town is buzzing about flying saucers and

the possibility that alien life exists somewhere nearby. It appears as if not just one resident or two, but scores of them, have sighted UFO's in the air space above the Hillsboro area. The reports have led to newspaper and magazine coverage, and one Boston television program—Evening Magazine—produced a segment of the mysterious events. So many residents in this region have given sober testimony of their bizarre sightings, in fact, that the situation has become one of dramatic proportion.

Nine years ago businessman Jim Gaskell left his home in Washington, New Hampshire, got in his car and headed southeast along Route 31. Larry, his eleven-year-old son, and Heidi, his nine-year-old daughter, were in the car. They were taking Larry to a music lesson in nearby Windsor. It was October, about seven-fifteen p.m.

The nine-mile stretch of road between Washington and Windsor is dense with trees: pine, white birch,

spruce, oak and maple. A few vacated cottages appear tucked between this thick maze; a handful of small farms have cut swaths into these dark woods. A gravel pit can be seen from the road; some corn fields; and the C.J. Construction Company. Some of the land here is swampy.

"We were driving along when all of a sudden I looked up and saw what I thought was a dirigible," says 55-year-old Jim Gaskell. "It appeared to be in trouble. It was about 25-feet in the air, just above treetop level. We stopped to look and watched it hover over an open area near a gravel pit."

Gaskell shut off his engine and got out of the car. Standing so close to the huge craft he could have hit it with a rock, he watched it drift silently across the road. When it was almost directly overhead, he realized that whatever he was looking at was not a dirigible. It was, in fact, clearly something he had never seen before.

"The kids started to get out of the car," Gaskell recalls. "I thought something funny was going on here, so I told them to get the hell back in. This thing was as big as a blimp, white pipes stuck out of its underside, and there were red lights attached all around it. When it got on the other side of the road, it hovered for a moment and then flew up into the sky—and I mean fast! One minute it was there and then instantaneously, it was just a dot in

the sky. And the most puzzling part of the whole thing was that it never made any noise—it was completely silent. I'll tell you, I got right in the car and drove away from that spot. Then later on, I told the kids to keep this to themselves. I felt we shouldn't talk about it because people would think we were nuts."

Jim Gaskell's strange encounter with this unidentified flying object in 1975 may have marked the beginning of the rash of inexplicable incidents centered in Hillsboro and extending to some of the surrounding towns. There have been dozens

of other witnesses—at first reluctant, like Gaskell, to tell their stories—to this enigma. Are the people that have come forth and revealed their curious stories entirely credible? And if they are, is Hillsboro actually a UFO haven? You can either believe me or not," Gaskell says. "I don't care. I know what I saw."

Reports of UFOs have been recorded as far back as biblical times. For centuries people have been fascinated by "disc-like objects flying through the air at great speeds," and "glowing, cigar-shaped objects appearing high in the sky." There have been thousands of documented sightings throughout the United States as well as the entire world. Some of these sightings have caused crisis and panic; some of them have roused popular curiosity; some of them—hoaxes created by the devious—have even evoked humor.

Investigations of modern-day UFOs have usually resulted, sometimes mysteriously so, in officials attempting to debunk and discredit the sightings. They have not, however, always succeeded. Some sightings are left unexplained. The frequency of the sightings in and around Hillsboro has established a base of validity for those that have told their stories. Even skeptics have paused to scratch their heads in wonder. As former president Jimmy Carter himself said, speaking at a Washington press conference in 1975, "I don't laugh at people anymore when they say they've seen UFOs because I've seen one myself."

Deering, New Hampshire, is a quiet town with a population of about 900. Willard Campbell, presently a state civil engineer, was the chief of police here for several years. On January 19, 1976, he took a call from local dispatch and in response, drove to see a Mr. and Mrs. Dooley at the Ox-Bow campground. It was just before daylight, about six a.m. There was snow on the ground and it was 20° below zero.

"When I got to the campground the Dooleys were standing outside looking up at the sky," he says. "It was a very clear night, there were no clouds or stars. They pointed to a spot in the air and when I looked in that direction, I saw a set of four lights. These lights were drifting slowly away. They said that before I arrived the lights had been a lot closer."

Campbell watched the lights until they were beyond eye's reach. Then the Dooley's hurriedly explained that there were more, near a gravel pit, and asked if he wanted to see them as well. They quickly moved toward the gravel pit.

"When we got to the pit what I saw made a UFO believer out of me," Campbell says. "There, hovering in the air above the snow, were two objects that looked exactly like saucers. They were shaped like huge soup bowls placed rim-to-rim. There were lights circling around them and they just sat there without making a sound."

"I decided to get a closer look and walked through the deep snow a ways into the pit. I got within about one-quarter mile to them. At this point, one of the saucers moved

horizontally to the left and disappeared over the trees. When I turned to look at the other one, it was gone too. They disappeared without making a sound. Believe me, these were not just lights in the sky that I saw. They were tangible objects. And they were not any conventional type of aircraft. I saw something then I had never seen anywhere before."

Within the ensuing months Campbell fielded many related telephone calls. He did see more lights later, but nothing that came even remotely close to the pair of objects he saw hovering over the gravel pit. "After my experience," he said, "I believed a lot of the people that told me their UFO stories."

Tom McClure is on a line crew for the public service department in Windsor. He was 31-years-old when, out on a four a.m. trouble call with his foreman, they spotted something glowing in the sky over Wolf's Hill in Deering. They stopped their truck and turned the lights off to watch.

"I would estimate that we were about ten miles away from the thing," McClure explains. "There was a small, round ball hovering in the sky and glowing brightly. It just sat there so after a few minutes we turned the truck lights on to leave. When we did, it shot straight up into the air and just disappeared."

What are Tom McClure's feelings about the existence of UFOs? "I think there is definitely something different out there," he flatly states, "and that there is a reason for it."

Bob Giglio is a freelance photographer who earns his living taking pictures for area newspapers and police departments. He is frequently on the road, day and night, capturing local events with his camera. He, too, has seen bright, pulsating lights high in the air over relatively uninhabited areas. He even photographed one once, high up on Craney Hill in Hillsboro (photographs that were examined by an expert at ITEK Lab in Lexington,

Massachusetts, and found to be authentic). And he's had a much closer encounter. Picking up a UFO call on his police scanner during the winter of 1980, he was driving toward Henniker when suddenly, his car began to vibrate. Looming up from behind the trees was a bright, multicolored light that cast down on his car and the road in front of him. He was within 50 feet of the object—close enough to hear a loud humming noise—when it flipped to one side, the light disappeared and the whole thing just vanished.

Bob Giglio has made it his business over the last few years to unravel the UFO mystery that has covered the area. Largely through his efforts, many people that ordinarily would have kept to themselves have come forth to reveal their stories. The fear of being branded as lunatics and the possibility of putting jobs and reputations on the line initially kept many people quiet about their own UFO encounters. Once Giglio had persuaded an observer to speak up, however, others became eager to reveal what they had seen themselves. Their neighbor's confessions buoyed them up, adding clout to their own startling conclusions.

Bob Giglio has talked to many area residents—more than 50 total—tape-recorded their statements and attempted to document the eerie occurrences. He has collected information from farmers, businessmen, policemen, a retired assistant superintendent of schools, college students and even his own daughter. For him, there is no doubt concerning the actual existence of these flying objects. The question in his mind is: What exactly are these things that have invaded the air space over the Hillsboro area?

Sundry, scientific explanations have been offered in a response to satisfy public curiosity concerning UFOs. Swamp gas, shooting stars, balloons, airplanes, meteors, hallucinations, optical illusions, covert military action and hoaxes are nine such answers. But the people who have seen these flying objects reject such theorizing on the basis of what they saw with their own eyes. Quiet, even-tempered Jim Gaskell, busy trimming lettuce in Gaskell's Country Store looks up over the frame of his glasses, catches you straight in the eye and says, "I've seen other

things in addition to that night nine years ago, but I'd really rather not talk about it. I know what was there and it's unlike anything I've ever seen before. Nothing will ever change that." And police officer Pete Cate of Hillsboro, politely dodging a request to describe in detail what he saw, echoes Gaskell's view. "There is no doubt in my mind that what I saw was something different, something entirely out of the ordinary."

Three years ago, in March, Charles and Mae Hogg got out of bed early one morning on their farm in Henniker. Mae Hogg looked out of the kitchen window to scan the 1,000 acres of land they own. A light snow had fallen that night, and to her surprise, she noticed footsteps in the snow. Their farm is in an isolated section of Henniker and most of the farm is surrounded by woods. It didn't make sense for anyone to have walked around out there, especially at night. She called her husband and together they went outside to have a closer look.

64-year-old Charles Hogg is six-

BURN AWAY BAD LUCK

The Strange Secret of a Dime-Store Candle.

I used to curse my luck. Anything I tried, anything I touched, turned to ashes. Tearfully, I joked about having all the luck. All bad.

In desperation, I wasted my time and money on charms, talismans, amulets, oils, even beads. Still no good luck.

Suddenly, An Inspiration!

"It is better to light one candle than to curse the darkness... or your luck." Reading those few words in a magazine one day gave me an inspiration—and hope. I had tried everything else, why not a candle?

That very night, I composed a plain, straight-from-the-heart prayer. I lit a small, cheap candle, said the prayer, and fell sound asleep.

When I awoke the next morning, I felt absolutely wonderful. For some reason, I forgot all about the candle and the prayer. But what I believe is a miracle brought them both forcefully to mind again.

The \$100.00 Convincer!

It was summer and plenty hot. To cool off, I went to the beach. While swimming in the ocean, I spotted a flat piece of paper floating on the water a few yards away.

The waves seemed to be pushing the paper to me. I reached out and grabbed it tightly in my fist. Peeking through my fingers, I was astonished to see that the paper was a bill of some kind.

The ocean had put money in my hand! I looked closer. I saw one zero, then another zero. It was a hundred dollar bill. Talk about luck! What are the odds against finding any money in the ocean—much less \$100.00!

Luck, Incredible Luck!

From that moment on, my life started to change. The bad luck which had plagued me for so long seemed to disappear. Extraordinary good luck took its place.

Money began to flow toward me from unexpected sources. A long over-due loan to a friend was suddenly repaid. One business deal after another started to pan out. My income hit the roof. Hardly a day went by that I didn't find money in the street, at my feet. How? Why?

The only explanation for my new-found luck was my simple candle prayer. So why fool around with a good thing! Needless to say, I didn't. And my good fortune kept right on multiplying by leaps and bounds.

Now, It's Your Turn!

Then an idea hit me. To form an organization to help others burn away bad luck with my mystical revelation.

That's how CANDLECULT was born. I pay for ads like this with my own money to tell my story to people whose luck is bad. And to offer them (and you) the opportunity to change it with my miraculous candle prayer.

I have no idea why my prayer works. Maybe it's the magic power of the words; maybe it's the special ritual I use with them. But who cares when the results are so fantastic!

If you'd like to try my personal ceremony to burn away your bad luck, I'll gladly send you my copyrighted prayer and ritual. To order, clip and mail the coupon right now.

Judge For Yourself!

I am not asking you to believe a single word that I've said. I do ask you to try my prayer just once as a favor to the only person who will know the truth: You!

When you light a candle and repeat my short prayer, what happened to me could happen to you. Soon, you could be the one who is always lucky... who always wins contests... who attracts unexpected huge sums of money... who always escapes unharmed when disaster strikes... whose faithful, constant companion is Lady Luck!

So much in this world cannot be explained. There's no rhyme nor reason why my candle prayer works wonders. But you cannot argue with facts. Honest facts you can witness with your own eyes. Or your money-back anytime.

feet, two-inches tall and wears a size eleven shoe. The imprints they saw in the snow—imprints which formed a rough circle with no beginning or end—were fourteen inches long and an inch-and-a-half wider than his own shoe size. They measured the length between each print—40 inches—and were struck by the odd design that appeared in the snow.

"An unusual type of boot made those prints," Charles Hogg says. "There was a round heel and a round toe; a hump, like an arch, in the middle; and some little pockets left in the snow, as if there were suction cups on the boots. The distance between each print was quite long. And the prints went around, almost in the shape of a teardrop, without any end to them. The only way that could have happened is if someone just dropped down there, walked around, and then rose up again away from the path that it made."

"I remember our Pekinese acting peculiar that night," Mae Hogg says. "The dog kept looking at the window, growling softly, backing

away, then growling some more. It was as if he was trying to tell us that something was not right out there."

The Hogg's have other reports to make, none of them so chilling, perhaps, but they all lend credence to the UFO mystery. Mae Hogg has seen flashing lights while driving along wooded roads with a friend. Charles Hogg, also a part-time policeman, says he, too, has seen pulsating lights in the mountains that have disappeared as fast as clicking off a light. "There is definitely something out there all right," Mr. Hogg says. "But still, I need to see something more concrete before my mind will be completely made up as to what these things actually are."

There are striking similarities between many of the Hillsboro sightings that have been made public in the last few years. The appearance of the objects and lights has nearly always been round. Many observers have watched the objects hover for a period of time and then take off with great speed. The sightings have taken place when it is either dusk or dark, and the objects

THE APPEARANCE OF THE OBJECTS AND LIGHTS HAS NEARLY ALWAYS BEEN ROUND. MANY OBSERVERS HAVE WATCHED THE OBJECTS HOVER FOR A PERIOD OF TIME AND THEN TAKE OFF WITH GREAT SPEED.

have displayed brilliant lights of some kind. And with the sole exception of Bob Giglio—who was within 50 feet of the object he saw—there has been no noise associated with the UFOs. They have appeared then vanished without making a sound.

James Cornell, public affairs officer at the Smithsonian Astrophysical Observatory in Cambridge, Massachusetts, rejects the possibility of the existence of Hillsboro's UFOs. He says, "There is no concrete evidence that suggests the popular notion of UFOs is real. We've operated camera stations around the world for 20 odd years using cameras that photograph the skies and are triggered automatically. I'd say less than 1% of the things we've photographed have not been able to be explained. We've never found anything that indicates UFOs are out there."

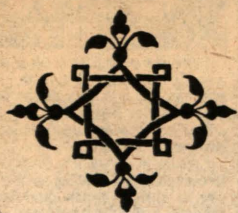

"On the other hand," he says, "people in astronomy believe the possibility that other life exists somewhere in the universe is very high. Intelligent life could very well have formed somewhere else. But in regard to extraterrestrial vehicles visiting us on a regular basis, concentrated in the Hillsboro, New Hampshire area or anywhere else—that's utter foolishness. After all these years of intensive looking some definite, positive proof would exist. But, it does not."

TODAY, THE TOWN IS BUZZING ABOUT FLYING SAUCERS AND THE POSSIBILITY THAT ALIEN LIFE EXISTS. SCORES OF RESIDENTS HAVE SIGHTED UFO'S IN THE AIR SPACE ABOVE THE HILLSBORO AREA.

Is a great hoax being perpetrated in Hillsboro, Henniker, Deering and Windsor? Or, on the other hand, are these UFOs an active colony of life from another galaxy, life that is based in these remote New Hampshire hills? "We all know UFOs are real," astronaut Ed Mitchell has said. "The real question is, where do they come from?" ■

Solar Powered Necklace Relieves Anxiety, Depression, And Fatigue, While Increasing Vitality

Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

Users Report. . .

- Increased Energy
- Elevated Mood

- Feeling of Well-Being
- Improved Sleep

- Reduced Tension
- Relief of Pain

New Science of Bioelectronics

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor during his extensive research in the field of bioelectronics.

Simple Method of Energizing the Body Discovered by Inventor

In the early sixties, Leon Halfon joined the staff of the famous Dead Sea Clinic. He became part of a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the clinical team inspired him to begin research on his own into ways of applying this knowledge to benefit people in all walks of life. His effort led him to the discovery that a continuous flow of low-yield energy into the body would create a POWERFUL ENERGIZING EFFECT on the physical and emotional state of the recipient. And this energy could be easily supplied by the small solar cells used to power spacecraft!

A Functioning Space-Age Power Source

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of ENERGIZING POWER THROUGHOUT THE BODY of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

Renewed Energy Lets Body Heal Itself

After wearing the Solar Energizer, most people report increased energy, a feeling of

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

Dramatic Improvement Within One Week

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

U.S. Patent Office Awards Patent

The Solar Energizer is a patented device that has been subjected to a thorough review by the U.S. Patent Office. Patent Number 4,173,229 was issued on November 6, 1979. The Summary Of The Invention begins with: "It is the object of the present

invention to provide an improved and decorative therapeutic adornment or jewelry object operable to generate a beneficial flow of electrical current through the body of a person wearing same".

30 Day Money Back Guarantee

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

For Men and Women

The Solar Energizer Necklace is attractively styled and may be worn by both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

Do you ever get an undeniable urge to take a drive late at night to get ride of the cares of the day before bedtime? Do you ever seek the least populated area of a camp ground in an effort to get away from the crowd? Do you ever get an idea to take off for several days' vacation to an isolated area, despite inopportune timing with home or job situations? Do you ever take a walk to the edge of civilization simply to enjoy the serenity and beauty of it all?

If your answer is yes to any of the above, then you are a likely candidate for abduction by UFO occupants. However, more than that, it may well be that one day the urge you will get to take a drive, a walk, or a day's vacation will actually be an *implanted thought* which is not your idea at all, but rather the telepathic transmission of UFO occupants who are *pre-arranging* your encounter with them!

Abductees are either chosen at random because they are in a vulnerable position on a dark road, in the desert, walking a deserted path, all alone at home, or abductees are led into those vulnerable positions beforehand, probably through telepathic suggestion (if the abductee is alone at home, we can suppose that the abductee's family was led away from the home for that evening!).

The usual assumption has been that abductees were chosen at random, but if in fact abductions are "set-up" in advance by the UFO beings, then the implications are formidable!

Let's look at the famous abduction case of Charles Moody: Charles was sitting in the comfort of his home watching THE TONIGHT SHOW when, suddenly (according to his own account of the abduction), he got an uncontrollable urge to drive to the edge of the desert to watch a meteor shower. Moody had worked hard all day and was involved in "kicking back" with THE TONIGHT SHOW. He had read about the meteor shower earlier in the day... but if you will put yourself in Charles Moody's shoes, you will find that it was highly unusual to get up from the comfort of watching TV after a busy workday, get dressed, drive miles to the deserted edge of the desert, to supposedly watch the night (and early morning) skies for hours! If a similar urge overwhelms you when watching late night television, be sure to check the time at which you leave the house and compare it to the time at which you return! Often abductions are not remembered consciously, but intervals of time may be missing during the late night drive, varying from 15 minutes to the 5 days which Travis Walton "lost" during his abduction!

Betty and Barney Hill's "capture" by aliens is certainly among the most famous, and it is the one which lends great evidence to the "pre-arranged abduction" theory. Barney Hill drove 120 miles round trip to and from work each night... a drive which added to his ulcer's aggravated condition. Yet, as he drove to work on September 14, 1961, the idea "came to him" that he and his wife Betty should take an *unscheduled* week's vacation via car. The idea "grew on him" all that night even though he and Betty had no budget money allotted for such a "vacation" (and ran out of cash on the return trip!), they both eagerly decided to go.

It seems very possible that this "must take a vacation" idea was *planted* in Barney's mind by those who were soon to abduct Betty and himself, thus setting up the best-known abduction in UFO history. It is entirely illogical for a man whose health is threatened partially by the long daily drives he made to suddenly find the idea of a long driving vacation irresistible! September in the White Mountains is one of the "cruellest months," according to INTERRUPT JOURNEY author John Fuller. What a strange time to doggedly take a "busman's holiday" into the mysterious mountains!

'CROSS OF CRYSTAL'

Cross enlarged to
show detail

Dear Re or:

My name is Diane Tessman. You might have seen me on TV or heard me on the radio telling my incredible story. I am an ordained minister and pastor of San Diego's Starlight Mystic Church. Up until just recently my life was pretty much a shambles. Because of the poor economy, I had lost my job as a teacher and found it impossible to get work. Things rapidly turned real sour — my car payments were overdue, my rent was behind, and I even had to get food stamps to feed my daughter.

But now — THANK GOD! — conditions have vastly improved. My luck has turned from bad to good. Suddenly my cup has runneth over and all because of a strange artifact I came across in my garden, which, I believe, was put there by beneficial beings who have helped guide my life and who have only positive thoughts for every peace loving person on this planet.

But let me start at the beginning... All my life, I have felt a closeness with God's universe. My experience is no lie! It has been verified by a University Professor who subjected me to a grueling two hour hypnotic session. He wanted to see if I was telling the truth. He is convinced I am, for I relived events that happened many years ago as if they had only transpired recently.

CHILDHOOD EXPERIENCES

It was a warm summer's night and I was playing with my dog outside. It was after dark and a certain stillness filled the air that I shall never forget. As I looked around with my pet, I noticed a bizarre light a short distance away from

where we were.

Without warning, my familiar surroundings were gone and I was in a completely different environment. All around me were these strange beings, some of them human-like, others radically different than any life form I was familiar with.

But there was one particular being who I found myself more attracted to than the others. I especially was not scared of him. The one I conversed with was human and I loved him. I could feel that there was something — a certain bond — between us and to me he has always been my "Special One." Due to the nature of subsequent contacts with these angelic, God-loving beings from another dimension, I feel almost certain that I am only half human, and the other part of me is extraterrestrial. Somehow — and I can't begin to explain this in scientific terms — I believe that the soul of the "Special One" was implanted into me or duplicated into me electronically, and that the "Special One" has been a part of my consciousness ever since I was seven.

SHOCKING REVELATIONS

In recent times my contact with THEM has increased to the point where I have become an accomplished psychic, able to forecast major events before they happen. I have also helped many individuals who feel that they are "different," and that they do not "belong" on this planet. My mission to assist these "Star children" walking amongst us has been a huge success. In addition, I have been doing my best to alert all these who will listen to the coming

changes that are slated to take place here on earth culminating in a collapse of civilization and the end of the world as we know it. Nostradamus, Edgar Cayce and other attuned minds have told of catastrophic events which are to take place during our lives, and my friends from another dimension have added to our knowledge of such a monumental transition that is said to be only years away.

Since that night back in Iowa, I have experienced many things that cannot possibly be explained. I have seen and heard what others cannot see or hear. I have had "flashbacks," of previous incarnations. I have heard strange beeps inside and outside my home which emanate from toasters, radios and stereos. Mysterious voices have come over my CB set. I've encountered ghosts, and had a variety of invisible playmates. One of my most frightening experiences has to do with the time I was levitated off my bed and some invisible entities actually tried to pull me through the wall.

HOW THE CRYSTAL CROSS CAME TO ME

Several months ago, I had a series of very frightening prophetic dreams about the "Last Days," which the Bible refers to as "Armageddon." In these nightmare visions, I witnessed entire cities being destroyed and people looking for places to hide. Mother Nature had turned against humankind. There were floods everywhere, and tidal waves swept across the West Coast, while thunder and lightning the likes of which we have never witnessed flashed everywhere. Wars had broken out in many lands, and from my dreams it looked like there was no way out. That is, until fleets of glittering spaceships filled the sky and started taking deserving souls off this planet in a mass evacuation which was being directed by the mighty hands of Jesus Himself.

These "dreams" were so vivid that I would wake up in a cold sweat. And while these prophetic visions always differed slightly, the one element they all contained was the materialization of a huge crystal cross over the heads of the suffering multitudes.

Upon rising one morning, a voice inside my head directed me to walk outside to my garden. There glittering in the early rays of sunlight was a beautiful cross made of crystal, and though it was much smaller, it was very similar in design to the one I had repeatedly seen in my dreams.

Later that day, my "Special One," who often speaks to me, told me that there was great significance in the cross that I had found in my yard. He reminded me that crystals have always been known for their healing and spiritual powers and that eons ago, on the continent of Atlantis, scientists had harnessed the forces of the crystal and a great technology existed because of the positive use of these crystals.

WANTED: GET WELL WISHES FOR: GRAY BARKER & ORVILLE BECKLEY

Our loving prayers and get well wishes go out to two great souls...GRAY BARKER who has been seriously ill in a West Virginia hospital, and Orville Beckley who has been hospitalized several times in recent months in New Jersey.

Gray Barker, the well known UFO researcher and author of THEY KNEW TOO MUCH ABOUT FLYING SAUCERS and other New Age books would certainly enjoy hearing from his many fans. Mail will be forwarded to him as follows: Gray Barker, Box D, Jane Lew, W. Va. 26378.

Orville Beckley, is the father of UFO REVIEW publisher Tim Beckley. A friendly card or a word or two of spiritual thought would be helpful and much appreciated. Address correspondence as follows: Orville Beckley, c/o Inner Light Publications, Box 753, New Brunswick, N.J. 08903

The staff wishes both gentlemen a speedy recovery.

My "Special One," recommended to me that everyone should own a cross for themselves and promised that those who carry such a crystal will experience many positive benefits throughout their life.

ARE YOU IN NEED?

Does your spirit cry out for relief from worldly tensions? If so I believe I can promise you...

- Financial security.
- A loved one to comfort you.
- A decent job.
- A means to lift all curses that have been placed on your soul, thus improving your karma.
- A way to own a new home.
- A means to win the lottery.
- To drive around in a beautiful new car.
- To have plenty of money in the bank.

And, above all else, would you eventually like to be taken from this planet to either some Heavenly realm, or a more peaceful dimension in space populated by advanced beings like the ones I've met? According to what I have learned, this is also no problem for those who respond to my unusual request.

My contacts with angelic entities from another dimension have indicated all this — and more — is within the realm of possibility, but that your chances of succeeding at WHATEVER you wish to achieve will be tenfold if you carry this powerful crystal cross with you at all times.

NOT FOR SALE

In another dream, I was warned that I must never sell the cross, but that it should be given to those who seek eternal comfort and spiritual awakening. Since the crosses are costly, there is no

way that I can send them to the tens of thousands of individuals who are likely to ask for one through this article. Therefore, I believe I have come upon a very fair and just manner in which to put these crosses into circulation as was intended and cover at least part of my expense.

Therefore, anyone who orders a copy of my book THE TRANSFORMATION will receive both a copy of my autobiography (which I think you will agree makes for fascinating reading and will tell you a great deal more about the coming tribulations to strike this planet and how to personally avoid them as much as possible), and a FREE crystal cross.

TAKE PART IN AN EXPERIMENT

I am very anxious to know what effect wearing the cross will have on you, so after carrying it on your person for thirty days won't you please drop me a line and let me know how your life has changed for the better?

I realize in distributing these crystal crosses that I am entering upon a totally new threshold in human understanding. I definitely KNOW from personal experience, that there are advanced beings out there who, with God's help, wish to assist those who will open their hearts and their minds to other realms and realities.

ADDITIONAL FREE GIFT

If you write to me without delay, I will put you on my mailing list to receive a free trial subscription to INNER LIGHT of which I am managing editor. This publication deals with prophecy, miracles, apparitions of the Virgin Mary and Jesus, experiences in unknown realms, and much, much, more.

In the movie CLOSE ENCOUNTERS OF THE THIRD KIND, the little boy seemed driven to find the UFOs (and their occupants) after the UFOs had flown over his home making his battery-operated toys go berserk. In a recent mother and child abduction case, the child (an eighteen month old girl) became determined to "go home, go home..." while visiting at her grandmother's house. The child kept picking this message up from 7:00 p.m. to midnight, refusing to go to sleep. The mother finally gave up and in a disheveled state, started for home. The child had become very ill (or so it seemed) and kept pointing to her ear.

Consider the possibility that when the baby pointed to her ear, she was not feeling discomfort, but was rather receiving a telepathic message, for, as mother and baby headed home on a dark Texas highway, they were abducted! The mother was at first terrified by finding her entire car in the shuttle bay of a large starship. When she attempted to lock the door to keep the UFO beings from opening it, they simply removed the entire door with a "special instrument!"

The child was taken from her and, naturally, the mother panicked! However, when the beings returned the small girl to her, she was totally better! Her temperature was gone, there was no more earache, crying or unhappiness. Possibly the earache was gone because it was partially not an "ache" but instead a telepathic message which brought the mother and child out on the dark road late at night in the first place! How similar this real life adventure is to the scene with the young boy in CLOSE ENCOUNTERS OF THE THIRD KIND.

Also to consider is the 1977 case of two young men who decided to take a short-cut on a rural road; they failed to notice that the road was a dead-end and proceeded to wreck their car as they bumped into an embankment (this already seems like a set-up but the incredibility factor gets higher! Read on!). The boys knocked at the doors of several rural houses but no one was at home. This seemed very odd be-

cause usually rural people are at home late at night. Perhaps the farm families were controlled telepathically not to come to the door, so that the boys could undergo the UFO abduction experience which

THE UNDERLYING ROOTS OF CONSCIOUSNESS

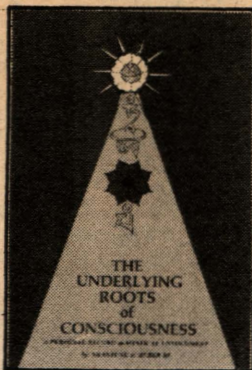

BY: SHANTUNG E. ZUBER III

SHANTUNG E. ZUBER III's desire for ataraxia (non-emotional peace) motivated him from an early age to search through philosophy, occultism, and mysticism for an effective way of attaining this. Not until some years later, when he came under the tutorship of an individual who had had a profound mystical experience, did he realize that God was what he actually yearned for.

THE UNDERLYING ROOTS OF CONSCIOUSNESS relates various phases of this quest, including the time of its inception; some of the disciplines of his guru; and his subsequent attainment of God-realization, as well as thoughts on certain matters.

The author's aim in writing this book is twofold. First, to present, as clearly as possible, God as "He" is: A realizable immanent portion of one's self—a being far removed from time-bound man's prejudicial and imaginative conceptions of Him. And second, to impart a coherent, practical method of attaining God-realization.

If the reader can profit from the information herein the author's sole goal in life, helping others to find God, will have found wondrous fulfillment.

THE PHILADELPHIA EXPERIMENT

During August, 1984, both the usual science fiction fans and those who had heard about the actual event flocked to openings of a new movie, *The Philadelphia Experiment*.

They sat goggle-eyed through marvelous special effects which depicted the disappearance of a Naval destroyer and the men on board due to miscalculation of Einstein's Unified Field Theory.

Then the audience began to shift and wriggle. Much of the 10 million-dollar budget for the independent production may have been spent in the first exciting reel. Thereafter the film went "downhill" rapidly, and future ticket sales diminished. No doubt you can view it on pay cable soon!

For the movie was NOT based on the best-selling Moore/Berlitz book, and thereafter a modern-day fictional script told how sailors, victims of the Experiment, suddenly found themselves caught in a 'time warp' and thrust into 1984. Their efforts to get back in time to their familiar world of 1943 motivated the melodramatics.

It is too bad that the film couldn't have been more of a documentary and more actual research done, for much has been learned since the release of the Moore/Berlitz book, with the same title as the movie.

Although its scenario is still hazy, no doubt something very important did happen at the Philadelphia Naval Yard during 1943. During the past year I have been putting my own recent findings into a new book, titled *After the Philadelphia Experiment*.

FOLLOW-UP RESEARCH

Most strongly established is that an experiment attempting to make objects invisible to radar did take place. If successful, such a process would have been highly valuable to the U.S. and our Allies during World War II.

Most likely the process involved application of Einstein's Unified Field Theory to achieve this objective.

Not actually established but involving a very strong and widespread tradition is the rumor that *something went wrong* during the Experiment, and that some Naval and/or Merchant Marine personnel were injured during the foul-up. According to Allende and other sources, the ship may or may not have achieved radar invisibility, but it (or parts of it) did become optically invisible! According to Allende this effect was so disorienting that crew members became mentally affected. Moore believes that some of them jumped overboard because of fright and were not recovered. Legends persist that invisibility became a re-occurring problem for some of the victims.

The entire matter may never have surfaced had not Carlos M. Allende sent letters to Dr. Morris K. Jessup alleging he witnessed the experiment. Jessup may never have

revealed these letters had not some mysterious persons written marginal notes in a copy of his book, *The Case for the UFO*, and sent it to the Office of Naval Research. Two Naval officers (whether strictly because of personal interests or to disseminate information) persuaded the Varo Manufacturing Co., of Garland, Texas, to reprint the book in a limited edition, complete with the marginalia and copies of Allende's letters to Jessup. Varo, an electronics firm, was a major contractor in satellite development, and printed the book on an office offset printing machine, after it was retyped by the secretary of the president of the company.

Although Allende claims to have written all of these annotations, I do not believe this and take issue with his claims in my book. For example, many of these notes take a theosophical flavor, although Allende has never hinted he knew anything about Madame Helena P. Blavatsky or her followers. I develop that he, himself, may have been one of the Experiment's victims, either through participation or "brainwashing."

WHY NOT IN USE

If something of such scientific import were discovered during the Experiment, why is it not in use, militarily or otherwise, today? Of course it *may be*. The Stealth bomber may have achieved radar invisibility, and to be the next generation of military aircraft developed by the U.S. military. This new technology may have developed from the original Philadelphia Experiment research. It is very strange that information on Stealth was "leaked" a few years ago by a top military official, who was publicly criticized by his colleagues! Most readers know that so called "leaks" are usually deliberate and are employed by officials to test the wind with trial balloons! This might also imply that the U.S.S.R. had the same technical knowledge, or was done to put the Russians on notice that we were also developing it. Or, more likely, it was leaked to initiate the persuasion for us to loosen our purse strings to build this new plane! But the Philadelphia Experiment has also become an enchanting mystery that somehow fills us with a sense of wonder.

If the Experiment revealed valuable technical information, there are more than one reason why it has been concealed and denied so long by the Military, and why development was not speeded during World War II.

No. 1 is the personal reluctance of government officials to take responsibility for accidental injury to military or civilian personnel. Any of us exposed to current news knows how the effects of above-ground atomic bomb tests upon military personnel have been covered up, and of the Agent Orange scandal in Vietnam. Only recently have I learned of the tremendous loss of lives during a *practice invasion* of Normandy, prior to the actual attack. The Navy has consistently denied

the Philadelphia Experiment, calling it "science fiction," until recently when a spokesman finally admitted that high voltage experiments were carried out aboard a destroyer escort, the USS Timmerman involving "high frequency generators...." This caused some weird electrical effects and, according to the informant could have led to the "apocryphal horror stories."

THE MANHATTAN PROJECT

Another explanation may lie in the Manhattan Project, code name for

the process of beating the Germans to the development of the atomic bomb. The bomb project was perhaps the largest military/industrial "crash" program in history, and commanded not only the use of the best scientists, but strategic metals and other materials in short supply as well. It may have been necessary to divert resources from further development of whatever may have been discovered in Philadelphia to complete the Manhattan Project.

My informant for this section of the book tells how her father supervised vital parts of the A-Bomb development (the machining of the two hemispheres which had to fit so exactly) that took place near New Kensington, Pennsylvania (incidentally the home of Allende). Her father indicated that the Oppenheims (chief "fathers" of the atomic bomb), along with Townsend Brown, a scientist involved in "anti-gravity" research, were frequent visitors at his plant, but also made frequent trips to Philadelphia where it was presumed they were also working on some other important scientific development!

Much of the material in my book which I consider fascinating and valuable was developed not by myself, but by readers of *Gray Barker's Newsletter*, who generously contributed their correspondence. If this book achieves any degree of excellence, chief credit is due mainly to these correspondents and confidantes!

I do not claim to have "solved the mystery." Hundreds of questions remain, many of them revolving around the role of Allende, who is perhaps the person most responsible for bringing the matter to the public mind.

As I corresponded with my informants, I am often amazed at receiving information confirming what Moore/Berlitz had stated in their fine book. For instance, another witness had met the same "mystery man" (not Allende) in a Colorado park, who had told a similar story of a vanishing ship. A dying man in a mission confided to a down-in-his-luck friend of the horrors of invisibility.

BRAIN-WASHING TO HIDE THE SECRET?

Another fascinating though frightening theme surfaced more than once: The possible brain-washing of witnesses or investigators getting too close to the truth.

Moore/Berlitz tell of another investigator, James R. Wolfe, with a rival book contract, who suddenly disappeared from his New York hotel address. My own investigation disclosed that he had suddenly turned up (of all places) in Philadelphia, a victim of amnesia! His book had never been completed and his notes apparently confiscated, though correspondence which I reveal may have been a part of this material. Wolfe was somehow shuttled off to a Canadian Hospital, where nothing has been heard of him since!

When Dr. Jessup allegedly committed suicide in a Florida park, Anna Genzlinger (who has psychic abilities) seemed drawn to the matter while reading about this in Berlitz's *The Bermuda Triangle*. Was Jessup, she wondered, involved with the Experiment, which led to brain-washing which caused him to

DOOMSDAY IS AROUND THE CORNER!

WILL CIVILIZATION END BEFORE THE YEAR 2000?

PREDICTED:

- APPEARANCE OF THE ANTI CHRIST - 666
- MASS LANDING OF SPACE SHIPS
- THE SECOND COMING
- WORLD WAR III
- THE EARTH FLIPS OVER
- PLAGUES & STARVATION
- CIVILIZATION COLLAPSES
- GRAVES OPENED & CORPSES GONE
- THOUSANDS VANISH

Back in the 16th century the famous — and highly accurate — French seer, Nostradamus, predicted the world would end in the year 1999. During the 1930's the "Prophet of Virginia Beach," Edgar Cayce, foresaw great trials and tribulations sweeping the globe before the turn of this century. Many religious leaders including Hal Lindsay and Dr. Billy Graham proclaim that we are already in the END TIMES as spoken of in the Book of Revelations, and that the great BATTLE OF ARMAGADDON is right around the next corner.

Scientists, psychics, clergy, UFO contactees unanimously agree that time is running out on civilization; that the hands of the cosmic clock are approaching the midnight hour, and doomsday could strike at any moment. They warn that our destruction could come in one of several ways:

- **ATOMIC WAR** — Already many nations have nuclear weapons and many more will have them by the end of this decade. The temptation to PUSH THE BUTTON and end it all grows each day as political ideology moves us further apart.
- **COLLAPSE OF GOVERNMENTS** — More and more people are unemployed, inflation is out of hand, and there seems to be no curbing of this trend. Our money — and the money of all nations — may soon be obsolete, worthless and banks may close one after another. Governments may literally "go out of business," and total anarchy will prevail across the land. The end result — we may go back to living in Stone Age fashion.
- **ENVIRONMENT TO STRIKE BACK** — Recently a representative of one government agency announced that in the next couple of years our planet will be struck by magnetic SUPER STORMS that could cause unprecedented blackouts. Our weather is turning against us. There will be more disasters of this type with an increase in earthquakes, volcanoes and a gigantic shifting of land masses which could wipe out a good portion of the earth's population. Cities such as New York and Los Angeles may soon sink into the sea.

- **UNEXPLAINABLE OCCURRENCES** — Psychics tell us that the planet could tip over on its axis and go spinning out of orbit. Some sensitives believe we will be destroyed when another planet or a "Dark Star" crashes into our world. Still other sensitives say it is possible we will be invaded from outer space.

MASS EVACUATION

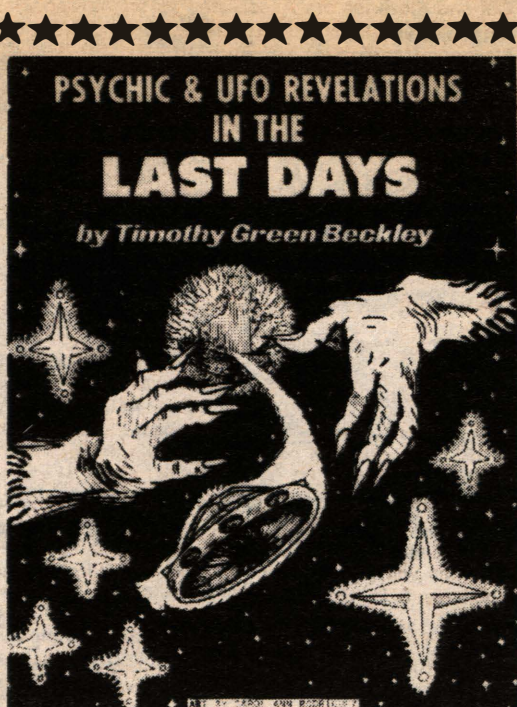

But there is also a general feeling that many of us can be saved, that golden ships piloted by human-like beings from other worlds will help mankind through the crisis periods soon to strike. Many of these MESSENGERS OF LIGHT have reincarnated here in recent years and will help in a mass evacuation from this planet of the CHOSEN ONES. Find out if you are a "Cosmic Blend" and just who will be saved in our moment of need.

Learn the following:

- Specific data on land changes — which areas will be safe and which will be in grave danger of being destroyed.
- A time table indicating when these events will begin and the order in which they will transpire.
- Exact SIGNS AND WONDERS to watch for which will indicate that only months are left. Be ready when the time comes. Order a copy of **PSYCHIC & UFO REVELATIONS IN THE LAST DAYS** before it is too late!

THE GOALS OF THE "MESSENGERS OF LIGHT" WHO ARE HERE TO ASSIST MANKIND

1. Join earthmen as one of them.
2. Counsel and train man in higher ways.
3. Aid the peace-makers whenever danger threatens them.
4. Help prepare earth for the great trials soon to besiege us.
5. Aid man in evolving peace and technology.
6. Reveal high-secret knowledge to those who qualify.
7. Act as a bridge between obsolete beliefs and superstitions.
8. Help establish Universal Brotherhood.
9. Teach secrets of immortality and eternal youth.
10. Aid in reawakening our sixth sense.

inside the craft had the ability to read her mind. Speaking into the on-stage microphone, the articulate witness told about what transpired on the evening of February 26, 1964, after she had finished having dinner at her mother's house.

"My mother lives in the town of Kent near Route 52. My daughter was with me at the time. We left my mother's house at 8:30. It was dark. We went down the road to the first stop sign that reads Farmers Mills Road.

"At that point, my daughter said to me, 'Mom, look at those lights up on that hill.' I said, 'Oh boy, someone must be having a real party up there.' It was like strobe lights flashing more than you would see at a discotheque. As I looked at it, it was moving. My daughter said, 'That's not a house up there, it's only a hill.' Then I realized there were no houses up there.

"I made a right hand turn to go towards home. I don't know if I followed it or it followed me. The object curved around the road, which was a winding road. It was quite low. When the object came about a mile further down the road, it had to lift itself up to go above the church steeple. At this point my daughter said, 'It's going to go over to White Pond.' It did go into White Pond and I followed it. There were no leaves on the trees, so I could easily see it through the trees.

"About a quarter of a mile down, on this dirt road called White Pond, it went in front of my car. I could see its underside. The lights were so brilliant, that I couldn't even describe them to you unless you have seen them. There were reds, blues and gold. I got out of the car and walked behind a birch tree which was in the way. That's how close this thing was.

"Now, I had a closer view of the object. It was close enough to hit with a baseball. The V part was away from me. The lights were going from left to right in an almost computer fashion. I stared at it, hypnotized, wondering how it could be so big and yet not make a sound. I could see the solid structure around it.

"After a few minutes, it started floating away. I said to myself, 'Oh, please don't go away. I just want to look at you!' It might sound crazy but I think that it heard me, because at the moment that I said that, it

stopped and did a complete turn around. Now the V faced me and began to move towards me.

"While this was happening, my daughter stayed in the car. She was terrified and kept yelling, 'Mommy, come back in the car. They're going to take you away.' We had a CB radio in the car and she tried to make contact. All we got was static. We couldn't contact anyone, even though, I could hear the truckers on Route 84."

HYPNOTIZED

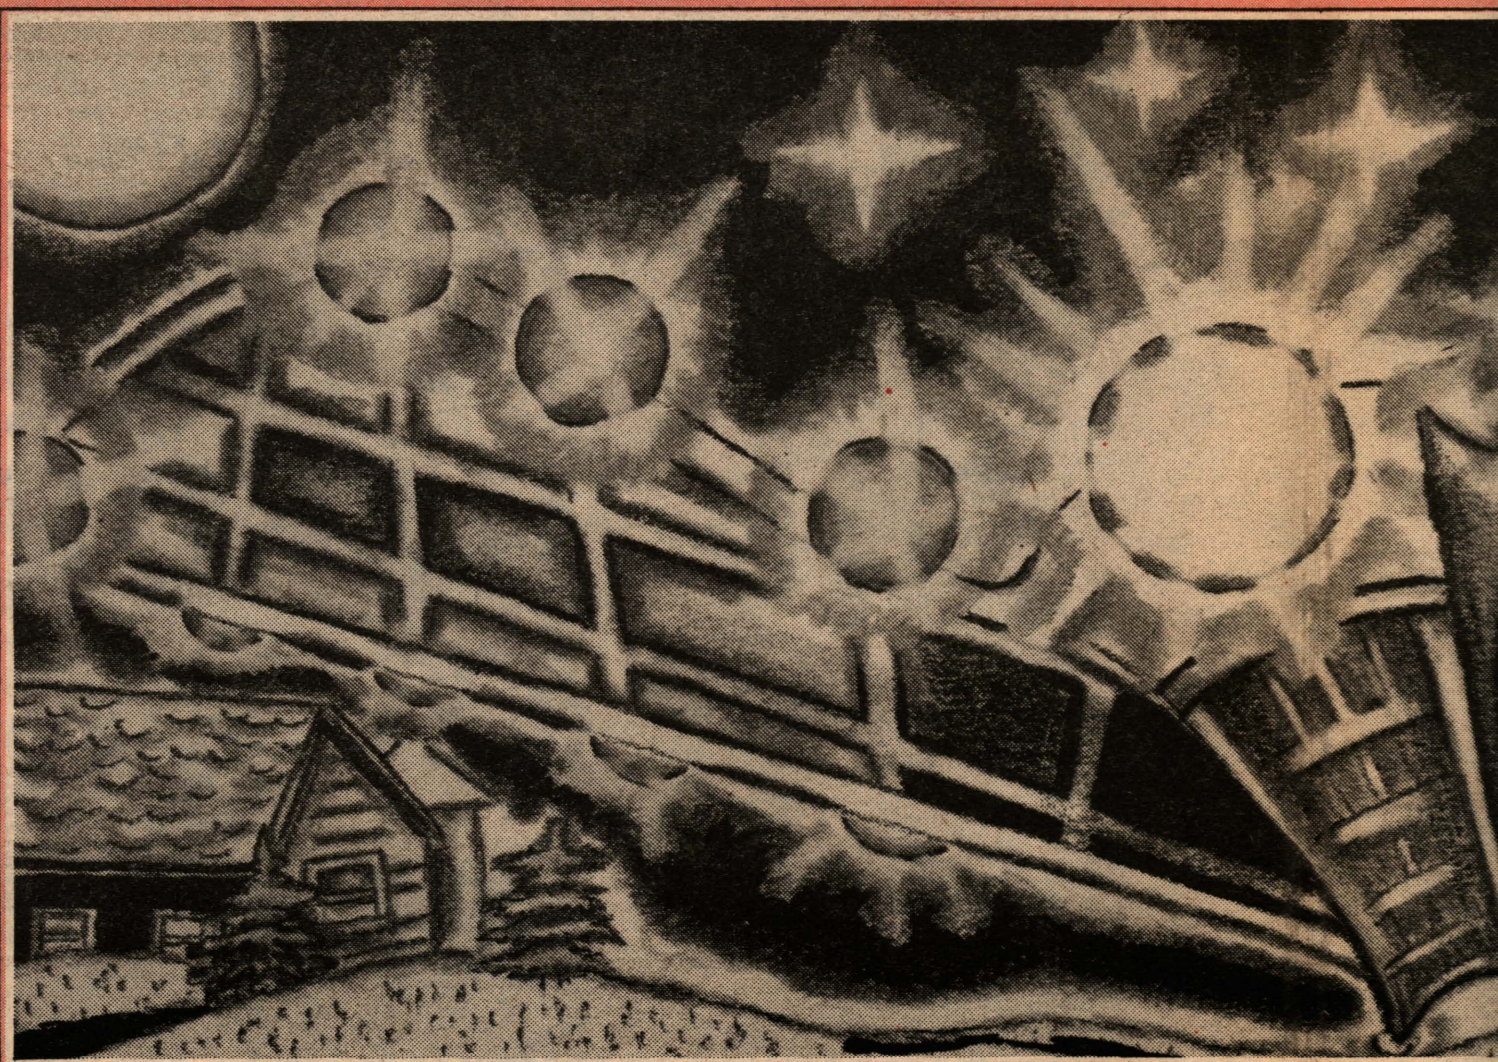

"Meanwhile, I could not take my eyes off the object. I can't explain why I wasn't afraid when it started to move towards me. I had a good feeling about it. I was concerned about my daughter, when she started screaming her lungs out.

"As it started towards me, the one big headlight in front was hitting me in the eyes. It was an amber colored light, slowly floating towards me. When it got really close, I started feeling a little uncomfortable and I took a couple of steps back. When I did this it stopped, as if sensing that I was afraid. It hovered in mid-air for a while. I said, 'Damn it, I wish I hadn't backed up.'

"As it started to float away, I returned to my car. My daughter said, 'You're crazy, Mom. They're going to take you. Then, what do I have?' I said, 'Well, I have a life insurance policy.' I backed out of the road and started following it. I followed it up Farmers Mills Road. Then my daughter said, 'It's going to go to Gypsy Trails Road.' This was the second time that my daughter predicted which way it was going to go. Then it kept going, right beyond Gypsy Trails to where there are two houses. It stopped by the second house, which has a plateau.

"At this point, I pulled my car over, again and got out. I blew the horn, really loud. The people in the house were looking out their front window at me. They must have thought I was really crazy, trying to get their attention. They did not come out. This thing was right above their house, about 15 feet above the telephone lines. It was so big that, even though it was over their house, it was over me. I was looking up at it.

"I was looking at the underbelly. It had a solid dark grey metallic grill type of frame. It had two grill things hanging down from it. There were no lights underneath it. The lights

on top were still going around.

"A car went by with a couple of fellows in it. They had seen it and were giggling. They kept going. Then I waved down a car with a couple in it. I said, 'You have to look at this thing.' I knew the person and she said, 'Don't even bother telling anybody. No one is going to believe you.'

"After a while, it started moving away and I got back in my car and followed it. I was really sad. I didn't want it to go. I went around the curve of Farmers Mills Road and about a mile and a half up the road it suddenly was gone.

"I went home and told my mother about it. I immediately got my sketch pad out and started drawing

it from different angles. Even if I had not sketched it, I would never forget what I saw."

MISSING TIME

"About a month later, I was lying in bed, watching the Odd Couple on TV unable to fall asleep. My bed is right next to a picture window. After the show, I turned off the TV and closed my eyes. Something told me to look out the window.

"There were five lights right outside my window, 300 yards in the air. I got my camera and went outside. I couldn't get a good picture because the telephone wires were in the way. As soon as I put the camera to my eyes, the lights went out.

"When I went back inside, I was unable to sleep, so I took the dog for a walk down by the lake. It was only a block away, but on the way back I lost so much strength that I hardly made it back home. I left for the lake before midnight but I didn't get back until after one. I don't know what happened.

"On March 25th of 1984 I had my next sighting. It was my mother's birthday and I went to her house after work. My brother was there with his girlfriend, my daughter was there, and my mother and myself. The same ship that I saw February of last year was there; we all ran out and saw it. It was boomerang-shaped with white lights. As it hovered, all of a sudden, the lights turned red. Then it disappeared.

"The following Sunday I went there with my camera. I do photography on the side. I knew that it was going to come back, so I went back there. I took four pictures with my camera. None of them came out. I know I had enough light. The other pictures on the same film developed."

SPIRITUAL ENCOUNTER

Another Putnam County employee Dennis Sant, was also adamant about what he saw, feeling convinced that the authorities were attempting to pull the wool over everyone's eyes with explanations which just did not fit the facts.

"On March 17th, I was taking my children home from a youth group at the Baptist Church. On the way home I noticed an object with a string of lights, sort of like a tractor trailer, parked in the middle of the

sky, hanging over my backyard. I stopped the van and the children got out to watch this thing hovering over my yard. When I realized it was over my backyard, I drove the van back to my driveway and we all got out.

"When we got there the UFO was gone and the sky was pitch black. So I took the children inside and prepared them for bed. While I discussing with them what we had seen, I had a strong urge to go back outside. I had a gut feeling that there was something out there.

"I walked out the door and saw a large object hovering over route 84. It had a string of lights and hovered about 40 feet above a tractor trailer truck. I watched it for a few minutes, then I ran inside to get the rest of my

emotional, even a spiritual encounter.

"As we crossed the street, we saw the lights—red, amber, green, and a large white light in the middle. The lights became more intense, illuminating the area, which was a swamp and the road. The children ran back into the house. Then the object backed around my property and my neighbor's yard. Then it came back to hover in the original spot, where we had first seen it over my backyard.

"At this point, I had an emotional rather than a visual sighting. This was something I had never seen before in my entire life. We, who were brought up here in Putnam County and Brewster, are used to

family, my dad and my children.

"We all went outside and watched the object from the same spot for about ten minutes. As we talked about what was going on, I felt envious of the truckers, who were now pulling off to the side of the road, getting a closer view of the object. I had an extreme desire to be closer to the object.

"At this point, the object turned around 180 degrees. It was now a V-shaped object and it began floating towards my home. It came to a halt about 100 yards away and about 40 or 50 feet above the trees. It hovered over the field for four or five minutes, until my dad and I walked across the road towards the object.

"From what I had read about UFOs, I had always believed that I would be frightened if I ever encountered one. I want you to know it had nothing to do with being frightened or my running away. To me, it was an

"In my mind I imagined the object having conflict with land and I became very excited, as well as nervous and anxious. At this point, the object began to move away from my yard in a northwestern direction. At this point my neighbors began to come out to witness what they believe was a large plane crashing in the trees.

I did not come forward right away with my sighting. One reason was that it was a very personal sighting for me and my family. Another reason was that I didn't know what reaction the other people would have. This was a very early sighting, before the mass sightings began. At

this time I thought I was the only one to have seen this thing.

"After contacting the sheriff's department, I found out that on that very night, just north of me many cars were pulled over to the side of the road, as the object was seen over the entire area. So I gave an interview to a newspaper reporter and said, 'Please, don't use my name, but I want everyone to know that there is something in the sky above us.'

"I don't know if this UFO was an object from another world, but I think, as a people, we ought to ask, 'What in the world is hanging over our heads and our community?' We need to ask some hard questions of our local and federal officials about these objects, which are invading our airspace. If you want to tell me it's ultralights, my goodness, we are talking about five or six hundred sighting. I think we need to put these people away."

FROM VIETNAM TO BREWSTER

After spending time in service to his country, William Sockui has every reason to be upset about the way Uncle Sam has attempted to treat the entire situation. Before discussing his most recent experience, Mr. Sockui described his first UFO sighting which took place over the Gulf of Tonkin.

"My background is that of an expert in the observation of aircraft, principally military aircraft, but other aircraft would be in the area, in the daytime and at night time. I was also a qualified celestial navigator. So, I spent many days at sea. I spent an hour in the evening and an hour in the morning observing the heavens, the stars, the planets, and their relative positions. I'm a qualified observer in this respect.

"My initial encounter with a UFO occurred on a ship, when I was in the navy, in Vietnam, in 1968. My ship was following an aircraft carrier in the Gulf of Tonkin. We were a half a mile behind the carrier in case anyone should fall off, while they were engaged in airplane operations. It was after dark, when there were no planes flying. We were informed in advance if there were any planes or helicopters flying. We also were told if there were any planes returning from emergency missions, where they had to land in the carrier unannounced. We were the plane guard ship and were the first to be told. I was the duty officer.

I was on the bridge, in control of the ship.

"Suddenly, out of the sky came three bright white lights. They swept down out of the sky and stopped off the left port side of the carrier. We had nothing on radar. The aircraft carrier went into a hard right turn. I, unfortunately, had to navigate the ship, so we wouldn't have a collision.

"So, everyone ran off to the port side to watch the UFO, while I had to go to the starboard side to keep the ship following the carrier. I kept glancing over, as much as I could safely, to see what was happening. The lower light of the three went out, then the middle light went out, and then the top one went out. That was it. The carrier straightened out in for-

mation and we continued with our operations.

MOST RECENT SIGHTING

"On July 12th of this year my wife and I had a sighting. We were returning home from a lecture we had attended in Yonkers. It was about 10:30 p.m. We were going north on the Taconic Parkway and were about five miles south of the Yorktown reservoir.

There was a pattern of lights up ahead, which looked like an arc of bright lights. Last winter I had seen a pattern of red and white lights like that and I had thought it was an aircraft with really strange lights on it,

and it just kept going. This time it was just up ahead and we were getting closer to it.

"Suddenly, the white lights went out. My wife said, 'Did you see that it just disappeared?' I look in the area where I had seen the lights and I could see dim red lights. They were clear but far away. I called her attention to the lights. She was able to see them also. We continued to move. I couldn't tell if it was moving or hovering. My wife wanted to pull off to the side of the road, but I told her to wait until we got closer.

"As we came over the hill, just near a reservoir, it was at a 15 to 30 degree angle off the highway from where we were. It was a little to the west of the highway. We went down the hill and across the bridge. It gave the impression, while we were moving, of a 747 coming in for a landing, with lots of funny lights on it. The bright lights were like what you would expect from landing lights, which weren't directed towards you but sort of away from you. You could see them. We went a half mile beyond the bridge, crossing the reservoir.

"It was now above us at about 75 degree angle from the horizon, a little to the left of the parkway. We pulled to the side of the road and got out. We were now in the woods, in a deserted area. There were no visible city lights. There was a full moon, just coming up over the horizon. It was a cloudless night, making it difficult to judge distances or sizes. But it gave the impression of being close and very large. It had 24 red lights."

A POSSIBLE PATTERN

Eugene Bower, in addition to being a careful observer himself, has tried to find a possible pattern for the sightings in upstate New York. "One night I started to collect papers with all the reports. I had my co-workers running around collecting everything they could find in print about the UFOs. I noticed that all the sightings during 1983 occurred from the first quarter until the full moon. There were only one or two sightings that didn't fall into this pattern."

After priming the audience for possible future encounters, Bower proceeded to tell about whatgothim interested in the subject.

"My own sighting occurred on March 26th 1983. It was a day I'll never forget. It was a Saturday even-

ing and we had just left a restaurant in Hyde Park. It was about 7:30. My companion and I decided to take a short cut. We took this very dark winding road. Suddenly, the young lady turned to me and said, 'My goodness, I don't know who lives over there, on top of that hill, but they have the brightest lights that I have ever seen. How could they have a spotlight that bright?' I turned to her and said, 'That's impossible, there's no one living there.'

"So, I quickly stopped my car. I left the lights on, as well as the radio. When I turned to look, I saw this thing, with four lights on one side and four lights on the other side and one in the middle. It was moving slowly over the power lines. At that point, I shut my car off and stepped out in front of my car. It was above my right shoulder. I could see it moving along the high tension wire. I thought it was going to crash into the wires. It was about the size of a 747. It was just flowing slowly.

"Then it stopped and raised itself. Then it moved until it was almost in front of us and turned. It seemed to look at us and dipped down. The girl got hysterical and said, 'Let's get the hell out of here.' I said, 'No, this is probably going to be the last time in our lives we are ever going to see something like this.' I wish that I could get to see it again. In fact, then I drive on the parkway, I have one eye on the road and one eye in the sky.

"After it faced us, the four lights on one side, the four lights on the other side, and the one light in the middle started to dim. It almost went out but it didn't. It made a crackling noise, which I can't describe. I'm not an expert but it seemed like it might have been getting power from the power lines, because of its position. At that moment the lights changed from white to red, then purple, then blue, then green, and then orange. This continued for about a minute. It was as if it were trying to say, 'We are here. You are looking at us.'

"Then, the lights suddenly dimmed again and turned white. It turned on its side and I could see what looked like it had the bones of a fish. We were about 200 yards away, as it turned, it went almost north, but then swung around to the back side.

"I ran a little bit down the road, because I wanted to see if it had a dome on it. There wasn't any dome.

REACH OUT TO OTHER DIMENSIONS WHEN YOU WEAR YOUR AMAZING "TELECRYSTAL"

Mystics have long believed that crystals could be used as "healing stones." UFO contactees have always worn crystals because they said it enhanced their telepathic ability and enabled them to operate as a more receptive and open channel with the Space Brotherhood. Ashtar, Commander-in-Chief of the Free Federation of Planets has said: "Wear the crystal at all times." Now you can find out for yourself what the crystal can do. In the book PROJECT WORLD EVACUATION by Tuella we are told that all light workers will be given a specially attuned crystal once aboard the evacuation mothership, and that crystals will power all forms of surface and air vehicles in the New Age. The "TELECRYSTAL" is the most powerful of crystals. We have imported a limited supply from Austria and now you can own your own. Comes complete with sturdy silver chain as well as a beautifully channeled message from "Crystal Love" who dwells in another solar system in a place called "Mirrored City."

DATA BEAMED DOWN INTO TINY CRYSTAL
NEW YORK - RCA Corp. said its researchers have developed a method of storing photographs, drawings, maps, statistics and computer data in a tiny crystal smaller than a sugar cube.
The system, which is still in the research stage, uses lasers to permanently implant images inside a new specially developed crystal, RCA said. The images are then read out by slowly rotating the crystal in a laser beam.
The company said the system theoretically could store a trillion bits of information in a cubic centimetre of the crystal.

Nostradamus is without a doubt the greatest clairvoyant who has ever lived.

Decades—and in many cases, even centuries—before specific events occurred, the French-born prophet accurately saw them taking place. Prior to his own death in 1566, he foretold of global warfare, aerial battles, space flight, vessels that travel under water, the assassination of world leaders (including the Kennedy brothers), the atomic bomb, Hitler's ruthless rule of Germany, the rise to power of three anti-Christ's, the formation of the thirteen colonies ultimately to become the United States, the rise of Russia and China as worldly powers, and most astounding of all, the exact date on which life on the earth will eventually come to an end.

To date, the works of Nostradamus have been translated into just about every language, and books containing his predictions have sold an estimated twenty million copies worldwide. Most recently, a motion picture concentrating on Nostradamus' greatest psychic feats has been playing regularly on national cable television...the response to this program has been reportedly incredible.

Now, due to an amazing discovery of a batch of Nostradamus' long forgotten personal papers, it has become possible for YOU to know what Nostradamus predicted about YOUR future!

What is not generally realized is the fact that Nostradamus was a trained student of the Kabala, those sacred ancient occult texts which may have originated with the scientists of Atlantis, or perhaps, some researchers theorize, on some far distant planet. Nostradamus also studied the Holy Bible and the words of Jesus very carefully and apparently unlocked a secret code which enabled him to combine specific teachings from the Kabala with knowledge from the Scriptures. In his private secluded study late at night, he would burn the midnight oil making extensive notes. Those who were close to him, say that Nostradamus had a keen understanding of numbers and knew all about their magical significance. He also was a master of interpreting dreams, which he did skillfully and regularly for the ruling kings and queens of Europe.

It has been stated that Nostradamus had an instinctively uncanny ability to know which numbers were to be lucky and which were not. He sup-

posedly had the powers of Merlin when it came to telling people when they would come into vast fortunes and when they could expect drastic changes to take place in their lives. These also had the bizarre knack of analyzing a person's dreams and interrupting their nighttime visions most accurately.

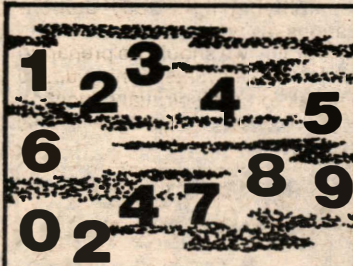

Not long ago, previously unpublished documents believed to have been written in Nostradamus' own hand began to surface among the wealthy upper crust of European society. Among these documents were Nostradamus notes on the meaning of dreams as well as the lucky numbers which coincided with each dream. Also found among his elaborate maze of notes was a key as to how these dream interpretations could be applied to each and every person, regardless of which century they were to live in.

Thanks to the efforts of famed Nostradamus scholar Arthur Crockett, Inner Light Publications has for the first time, been provided with a modern English translation of Nostradamus' dream interpretations as well as his complete chart of lucky numbers.

Astounding stories have

already reached our shores from lucky Europeans who have tried out Nostradamus' secret fortune telling method and since won their local lotteries, been successful in business transactions, become proud owners of new cars, yachts and homes, as well as finding employment for the first time in years, or going on extensive vacations, or otherwise enjoying the comforts of life which they never had the privilege to enjoy before their luck changed.

Why not let the greatest prophet of all time assist you personally to bring you untold new found riches and good fortune in a once in a lifetime opportunity. OPERATION LANDING LIGHT:

RAISE EARTH INTO THE FOURTH DIMENSION

By Phillel of Mark-Age

Phillel (Philip J. Jacobs) has served on the staff of the Mark-Age spiritual-educational organization since 1974, and works in the editorial and production department of *MAIN* magazine, published bimonthly.

His special area of research and expertise is extraterrestrial contacts, especially spiritual or psychic encounters with the space brothers.

Phillel brings a fresh perspective to "close encounters of the spiritual kind" because of his in-depth training for many years with one of today's foremost spiritual contactees of the space visitors, Nada-Yolanda, Executive Director of Mark-Age. Yolanda's first-person account of her contacts, *Visitors From Other Planets* (see book coupon), is treasured worldwide by light workers, New Age channels and contactees.

In addition to his training and close association with Yolanda, Phillel has many interdimensional space contacts of his own, and has been trained as a unique channel for the Federation's space-beam energies to assist mankind's transmutation in these Latter Days. These experiences qualify him to help others learn proper discernment and interpretation of spiritual and psychic exchanges with our space brothers.

The following article originally was broadcast on the Mark-Age Meditations network. For more information and free introductory catalog of publications, write: Mark-Age, P.O. Box 290368, Ft. Lauderdale, FL 33329, USA.

furthermore, are taken in a gradual and progressive manner, according to what the majority on earth can assimilate and use constructively. To achieve lasting results for spiritual change, all must be done for the whole of the whole. The whole stands not only for all mankind but for all creatures on earth and its astral planes, as well as the planetary logos itself. This holistic viewpoint extends beyond earth unto all planes and planets of our solar system, since the solar system is evolving as a unit into a new golden age.

One final point on spiritual principle: *our space brothers cannot land unless there is general acceptance from the masses on earth.* In this vein, we have been told it is up to us, who are light workers, to overcome resistance in mass consciousness in order to help promote landings. From what we see around us, I think we all can agree there is still urgent work to do on this right now, during the current transmutation cycle.

ROLE OF SPACECRAFT TO RAISE EARTH FREQUENCY

Let's continue now into the second stage of liftoff in our

Continued on page 14

We are the light to bring about the landing of light into the consciousness of Earthman. Hello, friends, I am Phillel, landing light into your consciousness on behalf of the Federation of Planets of our solar system.

Did you catch the key in this opening? As light workers in a unified network, we are going to anchor or land spiritual light into ourselves and all on Earth. Our launch pad for this discussion is Operation Landing Light, the code words for the Federation's project to land hierarchal on earth spacecraft or into our third dimensions, in order to help raise it into the fourth dimension.

The Hierarchal Board (spiritual governing body of our solar system) inaugurated Operation Landing in 1967, after successfully completing Operation Show Man. This latter project was a Federation program to show man that intelligent life exists beyond earth in a form of and

manner beyond our usual physical conceptions of life. Of course, the Show Man project itself entailed numerous types of UFO sightings, landings and spiritual encounters. But Operation Landing Light is a step beyond this, to move man of Earth into a new position to solidify even greater contacts with spiritual life in our universe. Landing Light thus in part and parcel of the Second Coming program to raise man's awareness into Christ or cosmic consciousness.

At present, we are in a new countdown phase of this project, during the current rending of the sixth phase of the seventh veil, to last till 1988-92. For the *Hierarchy* has announced that during the coming years of this cycle we will receive more overt contacts with extraterrestrials.

Equally important, we stand on the threshold of exciting new developments in the hierarchal program. For in 1984 we entered the

last of three major twelve-year periods of the Latter Day program, known as the *demonstration phase*. In this cycle pronounced spiritual demonstrations of light workers will herald a new era of anchoring the resurrected or light body of the Christ Self on earth, exemplifying to mankind the principles and methods of spiritual living as we move into the New Age of Aquarius. And hierarchal spacecraft play a key role in amplifying light-body demonstrations, as we shall see.

Naturally, we should be preparing now for these events; boning up, so to speak, on our spiritual education so as to work effectively with this project.

SPIRITUAL PRINCIPLES AND GOALS

Our first stage in launching this

educational review is to consider some of the spiritual principles involved in Landing Light operations. The first bit of information to land into our consciousness is this: man of earth has the spiritual responsibility to take control of the conditions prevailing on his planet.

The space brothers—who themselves are demonstrating varying degrees of spiritual mastership—are spiritually bound to respect our free will, as sons of God, to work out our own problems in learning how to govern ourselves with wisdom and love. Therefore, they would never overrun, dictate to, or commandeer us, in regard to their vast spiritual and scientific knowledge and experience. Rather, landings and exchanges will produce cooperative, coordinated, unified linkings of two aspects or grades of evolution, chaining themselves, like links, to bring about proper evolutionary growth of earth into the New Age.

All these evolutionary steps,

LANDING LIGHT

educational review of Operation Landing Light. This stage involves understanding the role that interdimensional spacecraft play in raising the spiritual frequency of Earth.

First of all, the equipment aboard spacecraft and the spacecraft themselves are highly energized, and therefore help amplify the transmutation of third dimensional, Earth plane frequencies. The once-activated Somalic space crew put it this way in a communication through Nada-Yolanda of Mark-Age on July 17, 1967: "All life form shall be transformed by the Landing Light operation because of the nature of what is involved in the incoming ships bringing force fields of electromagnetic energies that cannot sustain themselves in a third dimensional frequency beyond a certain point of time; and which, in remaining beyond that point of time, must therefore transmute third dimensional level of charge."

The vibration or energy of certain interdimensional spacecraft is akin to the etheric or light-body energies of our own resurrected or Christ Self. So, the presence of spacecraft can stimulate, supplement and amplify the beneficial energy projections of our Christ Self. Energy projections from spacecraft have become even more of a key factor of support now that we are in the demonstration cycle.

Now, because of the transmutational force field of spacecraft, especially those using higher-frequency equipment, the Hierarchy has had to take a number of precautions. For example, they have had to limit the area and the experience of individuals, groups and nations, so that exposure to these higher energies proceeds on a steady—albeit wise—course, taking into account the overall balance of the whole planet.

Also, due to the nature of radiation peculiar to their manifested forms, extraterrestrial spacecraft cannot remain long (perhaps hours or days) in the third dimensional vibration of earth. So, many times they materialize (dart into our atmosphere or perception, so to speak) just long enough to achieve their energy-raising effects, and then dematerialize. Because of their force fields, at times they have constrained themselves to appear and land, as Sananda once stated, "in certain key focal ports." And too, at times they have come into our atmosphere by waves, a little penetration at a time, in order to prevent shock to the earth.

From this, we can get an inkling that raising the earth into the fourth dimension is not a cut-and-dried operation, but is a delicate maneuvering requiring constant readjustments of Earth forms to higher spiritual frequencies. Certainly, we should applaud the wisdom, discernment and prudent judgment of our space brothers in handling their operations.

ROLE OF LIGHT WORKERS

Let's move now into the third stage of rocketing ourselves into higher awareness of Operation Landing Light. We come to the crux of our discussion: what does the Federation require of us as light workers?

Many times the space brothers and sisters have told us we are needed as energy focal points, transforming batteries, broadcasting units of light, to receive and to transmit the higher frequencies they beam to mankind from spacecraft. Without light workers on earth willing and receptive to portraying these roles, the spiritual space program could not be successful. To raise earth into the New Age requires a fully unified and coordinated interdimensional and interplanetary effort.

With our consciousness and bodies as anchoring points for these energies, we help light up the entire

planet and all life form on it. The space brothers depend on our projections of light to help secure the proper receptivity (both mental and environmental) to landing operations and the vibrational changes that will result. This includes amplifying broadcasts to eliminate any resistance within the device or nature kingdoms, which also are experiencing transmutation.

Lastly, in our role as energy broadcaster, we must realize that our own individual frequencies—our body, mind and soul—must be raised sufficiently to handle the higher input from spacecraft. Let's turn to what the space visitors themselves have said in channelings through Nada-Yolanda on this point.

On January 3, 1969 St. Germain channeled this: "We cannot allow you to have much contact with our solidified form until you have been raised sufficiently to satisfy your concepts and your own body forms without destroying them or damaging them to a degree that would be irreparable...We will not do this until you are ready to be able to indulge in the higher rates of frequency that we

shall bring with us by the nature of our being. This includes the manifestation of light bodies upon the earth as well as the frequencies of spacecraft, because they are equal in a very large degree."

On January 2, 1963 Glo-Ria had this to say about coming into contact with space beings of higher frequency vibration: "Coming into contact you can be thrown into a state of shock and upset because you would see certain phenomena with which you would be unable to cope. Included in that would be physical sensations that are slightly different..."

"Until you become completely adjusted mentally to this frequency, this experience, this eventuality—this inevitability, I might add—you will not enjoy the physical sensation that goes with it. When the mental bodies, of which you have three, have raised themselves to accept this coming attraction to the earth planet, your physical body—of which the astral, invisible body is part, too—also will rise to the point where you will be able to adjust or to translate to the higher frequencies coming in. Those from other planes

and planets will adjust to your frequency when they come in, but they can only step down their vibration to a certain point. They cannot reduce it to the earth plane vibration, otherwise they would lose their connection with their own dimension."

Broadcasters of light, let's visualize now our minds and bodies adjusting to the higher frequency vibrations bombarding us from Federation spacecraft orbiting earth. The sooner we adjust to, and broadcast to others, these frequencies, the sooner we will see more overt manifestation of Operation Landing Light during the next few years. Let's demonstrate the light by landing light into earth. We are on our final approach to splashdown!

TIME CAPSULE
2000→3000

ARTIST'S CONCEPTION

SEND YOURSELF INTO THE FUTURE

JOIN US ON A QUEST THROUGH TIME

How would you like to seal a part of yourself in a Time Capsule and send it 1000 years into the Future all the way to the year 3000 AD? Would you like to talk directly to the people who will be alive 1000 years from now? Do you have something you want to tell future generations about yourself?

Is there anything that you think is so important that it must be sealed in a Time Capsule meant for the people of the future? Would you like to have your thoughts, ideas or pictures to on into the future to help the people of the year 3000 AD?

If you answer YES to any of these questions, we need your help. We are making plans to build the World's Largest Time Capsule. We are calling this project **TIME CAPSULE 2000 → 3000**. You, the people alive today, have the once in a lifetime opportunity to seal a part of yourself in this Time Capsule. You can help decide what the people of the future learn about the world as it is today in 1984.

Don't take this task lightly. You will actually be communicating with the future. What you tell them could mean the difference between the survival or the death of the Human Race. It's up to you.

WHAT IS A TIME CAPSULE?

A time capsule is a specially designed vault that, once sealed, remains unopened for a certain length of time. **TIME CAPSULE 2000 → 3000** will be designed to remain unopened for at least 1000 years! Shortly after sunset on December 31, 1984, the first of 17 specially designed vaults will be sealed before several witnesses. This will be repeated on the last day of each of the next 16 years until the year 2000 AD.

How much will this be worth?
\$100.00? 1,000.00? 10,000.00!!!

At that time, all 17 vaults will be placed in the earth and covered with a thick layer of steel reinforced concrete. Each vault will be clearly marked with the date on which it was sealed.

The location for **TIME CAPSULE 2000 → 3000** has been carved out of solid rock. This solid base along with added concrete and steel should insure the survival of **TIME CAPSULE 2000 → 3000** up until its opening in the year 3000 AD. Who will open the Time Capsule at that time is anyone's guess but we hope it will be future members of the Human Race. If, however, modern man destroys himself, then future Space Travelers should discover the Time Capsule since its large inscriptions will be visible to any powerful Space Ship orbiting the Earth.

WHAT SHOULD GO INTO A TIME CAPSULE?

Inside **TIME CAPSULE 2000 → 3000** will be the pictures, letters, and thoughts of people from all over the World. Imagine the thrill it would be for us, the people of the Twentieth Century, if someone back in the year 1000 AD, had sealed a Time Capsule for us to open in the year 2000 AD.

We wouldn't have to rely on history books to see exactly what the people of those days were thinking and doing. You are lucky. You have a chance to write directly to the people of the Thirtieth Century and give them a piece of your mind.

They will be able to see exactly how you looked and dressed if you seal a picture of yourself in **TIME CAPSULE 2000 → 3000**. Or they can read exactly how you feel about your life in the year 1984. Or you could make a prediction for future people to read and let them see if you were right or not. The potential for **TIME CAPSULE 2000 → 3000** is endless. You, the people alive today, will make it what it is.

Here are just a few of the things that should go into the Time Capsule.

Constitutions	Documents	Paintings	Songs
Photographs	Blueprints	Prayers	Poems
Manuscripts	Drawings	Recipes	Letters
Predictions	Birth Certificates		

We are now accepting entries for the 1984 section of **TIME CAPSULE 2000 → 3000**. There will be no censorship. We are unbiased, apolitical, and nonsectarian. Whatever you send us will go into the Time Capsule just as we receive it. The only limitation we put on your entry is on its size. Each entry is limited to two items, each no bigger than an 8½"X11" sheet of paper. Photographs are acceptable but again, they cannot be any bigger than 8½"X11 inches. You can paste several smaller photos to a sheet of paper if you wish. Any writing on the paper or on the backs of photos should be done in ink. You should either print your information or have it typed so anyone will be able to read it easily.

You may make as many entries as you like into the Time Capsule but we must charge \$10.00 for each entry. You will receive a **CERTIFICATE OF ACCEPTANCE** showing that you have material sealed in the 1984 section of **TIME CAPSULE 2000 → 3000**. This **CERTIFICATE OF ACCEPTANCE** should be kept in a safe place because it is likely to become a collector's item and could be worth hundreds, if not thousands of dollars in the future.

You have our commitment that we will take good care of whatever you send us and that it will not be abused. You are a part of the Time Capsule. It is a part of you. Nothing — not even time — can change that. It is now 1984. Soon 1985 will be upon us. Each year we will insert a new capsule into the time machine. Think of all we have to tell the people of the year 3000 AD. Time is running out. Get your entry to us today so that it can be sealed in Section 1984 of **TIME CAPSULE 2000 → 3000**. This is an important year. You may not get another chance. Remember, there is only one 1984!

THE BILLY MEIER SAGA — PRO AND CON

Morris Bender

Continued from front cover

Not about to take anyone's word for what was going on, Lee and Brit Elders journeyed far from their home to meet with the man whose name has become almost a living legend, or a demon from the pit lying of hell, depending upon the conviction of those involved. Some said that Billy Meier was telling the absolute truth, while many others doubted his word, seemingly just because his story was too pat, too convincing and just too damn difficult to believe.

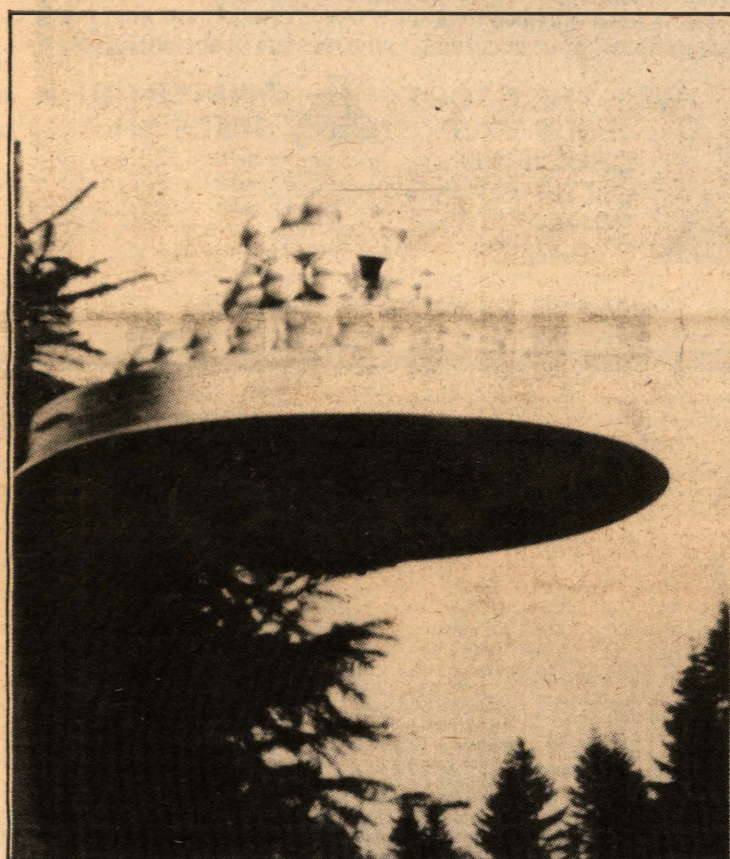

But yet the photographs speak for themselves. If they are fakes they are clever fakes and no one has been able to duplicate them to this date. Some have suggested that Meier's saucers are nothing more than balloons held in the air by hidden wires, or that they are wooden

models tossed from a distance. Yet, these same self-professed "scientists" do not have any answers as to how the UFOs fly at high altitude (much higher than an object can be thrown), how they appear to be so large, and why on motion picture film they do not stand still but hover and then circle a tree.

Indeed, can this unusual man be making all this up? And for what purpose? He has never sold his pictures, and does not seem interested in starting a new religion. The beings from the Pleiades have told Meier that they are interested in publicity at this time, but have repeatedly stated that the time is not as yet ripe for a mass appearance. And why is this you might ask? Semjase, a female UFO crew member explains: "Some of those who

"A skeptic is one when faced with the handwriting on the wall, claims that it is a forgery."

accepted the reality of other life would look to the visitors for miraculous cures for the ills of the earth that mankind has created. Also, there would probably be a few who would try to take possession of the beamship to use for control and power over the rest of the population. A craft which is so scientifically advanced could be devastating if commanded by those who are of 'impure' thought."

Thought has become the most vocal, Meier is by no means the only person to purport to have established contact with the Pleiadians. Actress Shirley MacLaine, for example, talks about them in her book OUT ON A LIMB, and others have even professed a telepathic union with these aliens whose appearance is said to be very earthly.

And while the staff of this publication would like to be convinced one way or another, it is almost guaranteed that the Billy Meier controversy will continue. For those interested in the messages he has received and for those looking to study the photographic evidence UFO...CONTACT FROM THE PLEIADES (Volume Two) has just been released from Genesis III Publishing, Box 32067, Phoenix, Az. 85064 from whose pages the pictures in this article were taken by kind permission. ■

These fantastic photos were taken by Billy Meier over his farm in Switzerland.

CHASING FLYING SAUCERS

commit what an investigating policeman's report termed a "too perfect" carbon monoxide suicide? Why no autopsy, and why did his wife refuse to review the body for identification? Why did the policeman, himself, suffer a mysterious accident? Genzinger believes that Jessup somehow "returned" through psychic means to "set the record straight," which represents, to me, one of the most fascinating parts of my investigation.

Because so much of my research has been developed from reader feedback from my Newsletter. I do hope that such readers will not abandon their letter-writing if they feel they have any new knowledge or confirming evidence to contribute, just because the book has been written. Better still, the massive circulation of UFO Review should develop even more leads for my following up. So if you feel you have any personal experiences or ideas to contribute, please do not hesitate to write to me: Gray Barker, Box D, Jané Lew, WV 26378. Should you write, I would appreciate your advising if I may use all or portions of

your letter in my Newsletter. Rest assured I will respect your confidence and not reveal your identity if you desire to withhold it. It just may be physically impossible for me to answer your letter promptly, and sometimes the postage bill alone can get out-of-hand. So if you'll enclose a long stamped, self-addressed envelope, this will help—and if I can't answer right away personally, I have some new material in the form of a Special Bulletin I'll be happy to send!

I could continue reviewing my research, but space is short and this might spoil some of the suspense for potential readers of my *After the Philadelphia Experiment*, which you can order from Timothy Green Beckley at UFO, 316 5th Ave., New York, NY 10001. According to the witness the phenomenon lasted ten minutes and then the object suddenly took off towards Salinas. "It was gone within seconds."

THE GREAT PYRAMID SPEAKS

FIRST TO CAST SPELLS

In about 350 B.C. King Nechtanebo found the powers of magic to his liking. When his kingdom was attacked by land or sea he would fight his enemies off with wax figures, animating these "robots" with the breath of life, using a ritual taken directly from the Book of the Dead, which was a stone ledger containing the world's most powerful incantations.

Nechtanebo won his battles time and time again without losing any of his real Army. The early Egyptians knew the importance of casting spells for good and for evil. Now you can learn of the mysterious and forbidden rite of the resurrection of Osiris and the sacred Mysteries of ancient Egypt and how they operated. Understanding these Mysteries enables a person to atone himself with the Heavens and experience spiritual bliss, which apparently only a few great philosophers such as Plato have understood and dared talk about.

PHARAOHS CONTACTED GUARDIAN ANGELS...YOU CAN TOO!

Excavators in Egypt have found both stone and wooden images of

unknown entities in tombs right alongside mummified remains. Many knowledgeable researchers steadfastly maintain these images are of the Pharaohs' guardian angel, said to be a supreme mover, a power, or force which enabled the leaders of Egypt to make their way to the spirit world without obstacle.

In THE GREAT PYRAMID SPEAKS you will find the exact name given to this special angel, and how if you chant its name repeatedly, it is said that you will receive all that you ask

MOSES — MOST FAMOUS INITIATE

While only the most scholarly of Biblical students may realize the fact, the truth is that Moses was half Hebrew, half Egyptian. As verification, the New Testament says, "Moses was instructed in all the wisdom of the Egyptians." What that statement means is that the deepest wisdom were laid open to him, and he was taught that which was forbidden for most others to know.

ATLANTIS AND THE ANCIENT ASTRONAUTS

There remains one great mystery about Egypt which has never been solved. It is the sudden blossoming of civilization. Researchers know that around 3100 B.C. the Egyptians

were still a primitive people. Then quite suddenly, about 3000 B.C., an advanced civilization sprung up almost overnight, a civilization that only 100 years before had used the most primitive of tools, but were now responsible the construction of the Great Pyramid which remains an architectural marvel.

THE GREAT PYRAMID SPEAKS answers these nagging questions:

- Was this development inspired by God?
- Did members of a super race from the lost continent of Atlantis, visit with the Egyptian high priests?
- Were the Egyptian leaders guided by visitors from another planet?

Among the burning evidence for these theories is the recent research conducted by an outstanding Soviet scientist who says he has concrete proof that extraterrestrial visitations took place during the reign of the early Pharaohs.

A TIME CAPSULE UNDER THE GREAT PYRAMID?

Many famed psychics who have lived in different countries—and in totally different cultures—have repeatedly stated that important information lies buried under the Sphinx as well as the Great Pyramid...information about the future of mankind and whether the human race will survive the atomic age.

Also, according to Edgar Cayce (the Sleeping Prophet of Virginia Beach), buried in a time capsule in a sealed vault beneath the great pyramid is the historical records of Atlantis, as well as unidentified mummies, gold artifacts, precious stones, as well as surgical instruments which could be of medical use today. There may even be, declare others, the secret as to how levitation can be accomplished, and how humans can live for extended periods of 1,000 years.

BONUS DARE YOU OPEN THE TOMB OF THE UNKNOWN MUMMY CONTAINING THE SECRET PROPHECIES OF THE PHARAOHS

Recently a series of startling prophecies were translated from hieroglyphics found on an unknown mummy's case deep inside the Great Pyramid. The actual origin of these predictions is unknown, though those who have seen the mummy's casement say it is highly unique, and totally different than any other so far discovered. They describe it as being hot to the touch and very hypnotic so that you cannot pull your eyes away. Researchers are also amazed at the size of the mummy that must have been buried within (the corpse is now missing), since the mummy's case is over eight feet long, indicating that the body that inhabited this death chamber must have been massive, unlike most of us born on earth. Now, for the first time, we are able to reveal the contents of these stunning predicts smuggled out of Egypt which were made thousands of years ago, but which deal with events of today and the immediate future. Since these prophecies may be highly traumatic to some who read this book, we have decided to place them in a special sealed chamber so that the weakened will have to break a seal in order to see what the future holds for us according to the masters of ancient Egypt.

WILL THE CROSS JESUS WAS CRUCIFIED ON BE FOUND BENEATH THE PYRAMID?

Diane Tessman, a San Diego based minister who had repeated contacts with space beings since the age of seven, has received a wealth of data from her spiritual guides concerning the Great Pyramid what will eventually be uncovered underneath the desert sand in Egypt. The blonde-haired sensitive is able to receive telepathic messages from all sorts of highly evolved entities working on our planet under God's direct command. These entities (many of whom are invisible to the human eye, but can be sensed by those who are cosmically aware) have arrived here at this time to try and push the planet forward on the spiritual scale; earth currently being among the lowest on the evolutionary ladder in the entire universe.

Much of this information which Diane Tessman has "channeled" is of particular benefit for those who seek knowledge which has long been suppressed. In THE GREAT PYRAMID SPEAKS, Diane's etherial contacts reveal the startling fact that the cross which the Almighty Jesus was crucified on is buried beneath the Great Pyramid and will be found within our lifetime as proof He will return.

MYSTERY OF A SPACE SHIP

In addition to the cross of the crucifixion, beneath the pyramid is also said to be a gigantic spacecraft which though dormant, now, will eventually be activated, and will be responsible for removing people from this planet in case of a global catastrophe. Diane reveals the newsmaking fact that the Israeli government, as well as its opposition forces of the Arab nations, know all about the existence of this spaceship, and are fighting for a lot more than oil in the Middle East—they are fighting for possession of this doomsday craft which can take their rulers to safety should we ever blow ourselves up.

was to follow.

There are several other examples, the best known of which is the Betty Andreasson abduction, when family

members were mentally controlled to either leave the house so that the abduction could occur or were under mind-control throughout the whole abduction, remembering bits and pieces of it as their mother

underwent the entire experience. It was obviously *meant especially* for the one person most involved. The next time you are home alone after each family member has decided, perhaps on the "spur of the moment"

to go off somewhere you might wonder what forces are communicating with those family members so that your aloneness is insured!

If you answered, "Yes" to the question of whether you occasionally take a drive for something to do or to calm your nerves, consider the following example a pre-arranged abduction:

Three young men in Maine decided to take a pleasure drive. Suddenly the van "turned itself" down a side road to an isolated lake. Once at the lake, the three underwent a UFO abduction and experience which is still discussed in UFO literature to this day. At what point did the night's abduction *really* begin? Was it at the point where the van "turned itself" (no doubt a thought transmission willed into the driver's mind) onto the deserted road? Or did the abduction begin when the thought came into their minds back at their

house trailer to take a little drive in the first place?

The possibility of being mentally manipulated at home is disturbing; it also opens up the possibility of manipulation throughout the history of humankind on a broad scale basis (more than we had ever dreamed!). Many UFO REVIEW readers seek a mind expanding contact with UFO beings and/or have already experienced it. They can tell you that there is no need to be disturbed by the idea of thought transmissions reaching you, telling you where to go for contact/encounter if you are of goodness and if your UFO contacts are of goodness. Then a thought transmission to "go to a particular spot" is indeed a welcome message!

Some UFO research groups shake their finger at Star People and

THE BLAVATSKY THEOSOPHIST

A BIMONTHLY JOURNAL DEVOTED TO EASTERN OCCULTISM
EMBRACING EGYPTIAN PYRAMID TEXTS AND ASTROLOGY
CONDUCTED BY C. H. HARVEY

Hey, where are you out there? Something great is now coming down from the Immortal Gods and you are missing the boat! One of Seven Primordial Gods who roamed the Earth 17 Million years ago is actually taking this unprecedented step to help Mankind in its present hour of truly desperate need. He is communicating the Pure Science a new 32 page Journal Theosophist. Completely new insights into the saving knowledge about your long lost Third Eye and how you may recover it, is being transmitted in a new Pyramid Text translation of the "Words said by the Gods", which are inscribed in the 4,300 year old, 5th Dynasty of King Unis on the plateau of Saqqara in Egypt. He is also transmitting detailed new knowledge of Physics, Chemistry and Mathematics to help prevent the headlong descent of Science into the Bottomless Pit of Mystical Materialism.

If you wish to see what's coming down and come into contact with this ongoing Effort of the Gods, send \$3.50 by check or money order for three sample back issues of The Blavatsky Theosophist to its Editor, C. H. Harvey, 2630B Webster St., Berkeley, Ca. 94705, and rejoice with him in this actual contact with the Primordial Gods in an age when Mankind no longer even believes that they exist.

WINNING WITH WITCHCRAFT

Although my book is called "Winning With Witchcraft" it is not a book for witches. Fully fledged witches will not find anything really new in its pages and indeed they may disapprove of many of the things written in it. They will not like the fact that I have removed the "mystery" of witchcraft, dispensing with all the complicated paraphernalia usually associated with the Craft, in order to demonstrate to the ordinary person that to practise it is really very simple indeed. My book is definitely only for the everyday lay woman or man; the person who is fascinated by witchcraft and its possibilities, but is either too busy or apprehensive to actually get involved in it.

HOW TO WIN IN LIFE

I do not in my book bog the reader down with the theory or history of witchcraft. That can be found in other books. No, my work is an "action" book, one of practice rather than speculation. In it I show you how to win in life with witchcraft. There are two sides, or dimensions, to witchcraft: the religious, spiritual dimension, and the dynamic "active" dimension, i.e. that of deliberately manipulating events and circumstances for one's ends. My book is about this second, exciting dimension. But before I continue let me tell you something about myself. My name is Jean Williams, and for the last twenty years I have been actively practising witchcraft in the pursuit of securing personal objectives. I am a perfectly ordinary woman, not possessing special psychic powers of any kind. Neither am I particularly bright or good looking. I mention these points because I want to show you that the wonderful, fast acting powers of witchcraft can be at anyone's command, regardless of ability, once the secret of witchcraft is understood. I have never belonged to a coven or occult group of any kind. There is nothing special that you have "to be", or no one special you have to know, in order for you to begin working wonders with witchcraft from the very moment you know what to do.

IMMEDIATE RESULTS

Immediately you have finished reading my book you can begin casting magic witchcraft spells to obtain whatever you desire. And you don't have to worry about trying to obtain difficult to get herbs or special equipment; almost all of the rituals I give involve very little or no paraphernalia, and what things you may have to get can be purchased very easily and inexpensively. For twenty years I have been "winning the game of life" through witchcraft. With my book you can start doing the very same the minute you have read it. With simple witchcraft spells and rituals I show how you can make any member of the opposite sex desire you immediately... compel a reluctant lover to marry you... stop the romantic interest of someone you would rather be without. With witchcraft you can forget about being a loser in love, in money, or anything else. By using witchcraft I show how you can actually take control of the "forces of chance" and make everything you touch seemingly turn to gold. You will be able to play a bingo game, place a bet, enter any contest, and know that you will win. You can have any man or woman you want, or any luxury you choose. With witchcraft these things become automatic when you use the appropriate spells or rituals to obtain them. I can say all this with absolute confidence for this has been my experience from practising witchcraft. I have benefited handsomely from witchcraft and I only seek the pleasure of sharing my knowledge with you. Witchcraft, I believe, should not be the jealously guarded secret of a selfish few, but should be made available to all who seek a better and more fulfilling life.

WHAT WITCHCRAFT CAN BRING YOU

In my book you read about:

- Winning the admiration and respect of people. Stop them exploiting and using you.
- Using witchcraft to promote your self interests at all times, without harming the interests of others.
- Commanding things to happen through powerful spells and invocations. With witchcraft you don't have to grovel or pray to God for help.
- Magic witchcraft spells that quickly make you more self-assertive, confident, and sought after by the opposite sex.
- The Binding Love Spell that makes someone of the opposite sex love you.
- Simple witchcraft remedies that alleviate pain, reduce fever, stimulate hair growth.

- A powerful ritual that compels an unwanted neighbour to move away.
- A simple Moon Spell for miraculously solving financial difficulties.
- An ancient ritual for obtaining a barren womb fertile.
- A simple divinatory rite for immediately telling if your mate is true or not.
- Compel a thief to return stolen property.
- A Roman Love Spell for catching all the men you will ever want!
- A simple formula for finding out which of two lovers loves you the most.
- An ultra-simple ritual for keeping your partner true.
- A spell that compels a deserting partner to return to you.
- How to leave your physical body and travel invisibly anywhere. You can invisibly "spy" on your lover, rival, enemy, completely without his/her knowledge! This way you always win in the game of life because you can anticipate in advance the actions of others!
- "Invisible travel" is easy, it only needs practice. I succeeded on my third try. It is not only easy, but fun, too. And it is perfectly safe!
- A simple step you can take for stopping any witch from invisibly spying on you!
- A powerful self-rejuvenation ritual for renewing your personality and character; extremely potent!
- How to use The Witchcraft Circle to break disease and ill health and regain perfect well being.

THE SECRET SCIENCE OF NATURE

It is unfortunate that many people associate witchcraft with devil-worship. Most witches don't even believe in the Devil! I certainly don't. Witchcraft is not Black Magic. But, fortunately, witchcraft can be used to protect one's self from Black Magic. My book shows how you can quickly and easily break any evil curse, and shows also how you can for ever make yourself safe from harm and evil of every kind. Some people also harbour the idea that witchcraft is just "superstitious nonsense"; in fact quite the opposite is true. Witchcraft is the secret science of nature. It could not possibly work if it was merely based on old wives' tales. I personally am not superstitious; I was born on the 13th, I live in a house no. 13, I walk under ladders, etc., but I very much definitely believe in the powers of witchcraft. You will believe, too, once you have tried the simple rituals in my book! Nor is witchcraft just "positive thinking". I know lots of people who are positive thinking and yet they are losers in life. Witchcraft is more dynamic. With witchcraft you don't, and cannot, fail; you only succeed and win.

THE ULTIMATE WITCHCRAFT RITUAL

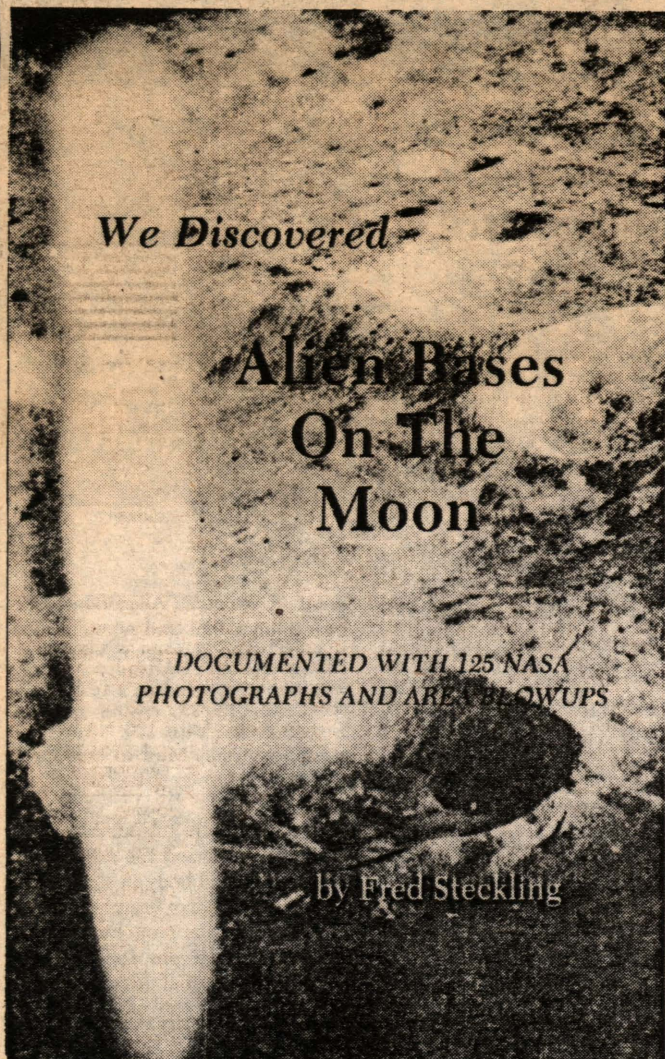

The very end part of my book I have saved for what I consider to be the ultimate witchcraft ritual, at least in material terms; a ritual that unleashes a tremendous torrent of opportunity, riches and good fortune. I consider this ritual to be little short of sensational, but I will be frank with you: I have only ever used it once. It worked so well that I just couldn't handle all the good things that came from it. I am not one of those people who can handle immediate, or even gradual, wealth. But if you are one of those people who believe they can then you should try this ritual. It could change your life!

I do not claim my book to be the best or finest written on the subject of witchcraft. But I do claim it to be the most practical. If you are one of those people who has always wanted to try their hand at witchcraft, but were too busy or apprehensive to do so then my book is for you. It is written for you, and I promise you that what you pay for it will be the best spent money of your life. Witchcraft works. Those who practise it know. They are life's winners.

**OBSERVERS
STUNNED - POSITIVE
PROOF WE ARE NOT ALONE!**

NEWFLASH! U.F.O.s are again appearing in the skies of Puerto Rico, manifesting in front of the astonished citizens of Albonito. At eight P.M. Friday, August 12, 1983, various residents of the center of the island sighted a very large cigar-shaped craft passing overhead. The craft was described by witnesses as being wingless and having a row of brilliant amber lights.

As the craft flew over Barriada San Luis, de Albonito, it was sighted by Nilda Cruz and other local residents. Nilda Cruz gives this description of what happened: "I went out to water the plants at about eight o'clock when all of a sudden, I saw that thing flying close to an airplane. The object suddenly went dark and quickly moved towards the top of some nearby mountain. After the plane passed by the object lit up again, illuminating the mountain as well as the surrounding area. It remained there, suspended in the air, for a few moments and then took off at a great speed towards the north.

There were other witnesses as well who saw the ship. Among these witnesses were the brothers Ed-

As we went down a slope, we suddenly saw a large luminous object with an orange glow. It had many small colored lights around the edge which blinked blue and red. It came down low, following the slope of a nearby mountain. Then it went back up again, moving towards Salinas, towards the sea. Immediately, another object appeared, and did exactly the same thing, and disappeared, following the first object."

Zayas described the objects as shaped like overturned plates. "My friends became very nervous, insisting that I immediately start the car so that we could leave the area, which was what I did. I had never seen anything like it before."

On Saturday August 13, 1983, U.F.O.s were once more seen over Albonito. Again descriptions were similar.

One resident describes what she observed this way: "I thought that the world was coming to an end. You know that it says in the bible that things like this will be seen during the last days. Even though I was frightened, I didn't say anything to my family about it, until now when I heard you talking to Mr. Zayas and I realized that it was the same thing which I had seen."

According to the neighbors there have been other similar cases which have occurred during the past three months. But the most interesting case of all was that of "Mr. A.C." It happened on Saturday August 13th at 3 o'clock in the afternoon. Mr. A.C. was in Algarrobo looking for archaeological relics in the location known as Los Pilares.

gardo and Ramon Mercado. Their description agreed remarkably well with that of Mrs. Cruz.

Angel Luis Zayas, an employee of the Social Service Office of Albonito, relates an experience which he experienced awhile before in Sector Algarrobo, while driving through the area with three friends at about 10 P.M.

"On that night a group of us had gone out for a drive along Algarrobo and Cuyon, from where there is a very impressive view of the south.

**"I THOUGHT THAT THE WORLD WAS
COMING TO AN END. YOU KNOW THAT
IT SAYS IN THE BIBLE THAT THINGS
LIKE THIS WILL BE SEEN DURING THE
LAST DAYS."**

Mr. A.C. explained, "I was looking for Indian relics, when I suddenly heard what sounded like bees. When I looked up I saw in front of me, about 50 meters away, hovering 70 feet above the ground, a silver pyramid shaped object, with three rectangular shaped windows. In the windows there were three people. I was not able to see their faces. They were looking at me. They wore helmets and tight fitting silver

MIND ALTERING

Contactees, asking if they think they are the "chosen few." However, if the idea that UFO occupants do manipulate some people into encounters through telepathic messages is valid, then these UFO researchers will have to face the fact that some people are pre-selected for whatever reasons. They should not toss out such an idea simply because a special relationship between UFO occupant and human abductee is implied?

Also implied in accepting this pre-arranged abduction theory is the thought that the UFO beings will likely get in contact in the future with the same human mind. It is easier to work with a mind which has been "initiated," and which will not panic quite as much when alien life again contacts it. As we all know, almost every abductee has felt an on-going contact after their original abduction...just ask Betty Hill!

And so, should you be sitting peacefully in front of your television set tonight when you get—quite suddenly—an illogical urge to take a drive out under the stars, be sure to check your watch as you leave and upon your return, for you may be missing time! You also may well

catch a glimpse of a UFO high in the sky and have no recollection of a closer view. Or you might join the ranks of those who actively remember being abducted by UFO occupants! Whatever the case, be aware that your urge to "take a drive" may not be coming from your mind alone! ■

There was no sound. As it turned and started to go back, it went almost east. I jumped back in the car and nervously fumbled with the keys to get it started.

"When I got the car started, I said to my friend, 'We're going to make the first right hand turn and try to catch up with it.' However, the trees were high and it could have been only fifty feet away and we wouldn't have seen it. We went up and down all of the roads looking for it. Then, I decided to get on the parkway, where there is an overview. We stayed there until 12:30, but we never saw it again."

And while, at press time, there has been a lull in the sightings, almost everyone is certain the UFOs will return at any moment, the question remains what is their intention? ■
